Fed up by Governor Newsom violating SEIU Local 1000's Union Contract with the State of California by not providing the Union with 30 days' notice prior to signing off on mandates and refusing to meet and confer on other issues?

Ready to stand up for our union brothers and sisters facing the forced closure of the California Correctional Center in Lassen County?

Then ***let your voice be heard*** at the SEIU Local 1000 CCC Closure and Union Rights Rally at the California State Capital on August 27, 2021. We will be caravanning from Lassen County to help our members show up and speak out on the issues impacting **YOU!**
