1. The enforcement of this Contract;
2. Employee discipline cases, including investigatory interviews of an employee who is the subject of a noncriminal investigation;

8. The Department Of Personnel Administration statutory appeal hearings.

B. A written list of Union stewards, and elected bargaining unit council representatives broken down by department, unit, and designated area of representation, shall be furnished to each department and a copy sent to the State immediately after their designation. The Union shall notify the State promptly of any changes of such stewards. Union stewards shall not be recognized by the State until such lists or changes thereto are received.

C. Area of Representation – A union steward's "area of primary representation" is defined as an institution, office, or building. 2.4 Distribution of Union Information

A. The Union may use existing employee organization bulletin boards to post materials related to Union business. Upon mutual agreement between an authorized Union representative and the department, Union bulletin boards will be where they are accessible to employees. A copy of all materials posted must be distributed to the facility or office supervisor at the time of posting.

B. The Union may, before or after work hours or during meal and rest periods, distribute Union literature. Release time for these purposes is subject to prior notification and approval by the steward's immediate supervisor. Upon mutual agreement of the parties, a reasonable number of additional stewards can also be granted reasonable time off under this section.

2.7 Employee Time Off

ARTICLE 3 - UNION SECURITY

3.1 Union Security

The State agrees to deduct and transmit to the Union all membership dues authorized on a form provided by the Union. Effective with the beginning of the first pay period following ratification of this contract by the Legislature and the Union, the State agrees to calculate, deduct, and transmit to the Union, Fair Share fees from State employees who do not have membership dues deductions for the Union, based upon an amount or formula furnished by the Union for Fair Share fees deductions. The State further agrees to recalculate, deduct, and transmit Fair Share fees to the Union based upon any revised amounts or formulas furnished by the Union for Fair Share fees deductions during the term of this contract. The State and the Union agree that a system of authorized dues deductions and a system of Fair Share fee deductions shall be operated in accordance with Government Code Sections 3513(h), 3513(j), 3515, 3515.6, 3515.7, and 3515.8, subject to the following provisions:

1. When Fair Share fees are in effect, an employee may withdraw from membership in the Union by sending a signed withdrawal letter to the Union with a copy to the State Controller at any time. An employee who so withdraws his/her membership shall be subject to paying a Fair Share fee, if such a fee is applicable.
2. The Union agrees to indemnify, defend, and hold the State and its agents harmless against any claims made of any nature and against any suit instituted against the State arising from this section and the deductions arising therefrom.
3. The Union agrees to annually notify all State employees who pay Fair Share fees of their right to demand and receive from the Union a return of part of that fee pursuant to Government Code Section 3515.8.
4. No provisions of this section or any disputes arising thereunder shall be subject to the grievance and arbitration procedure contained in this Contract.
5. Should a recession election be successful, the written authorization for payroll deductions for Union membership shall remain in full force and effect during the life of this contract except that any employee may withdraw from the Union by sending a signed withdrawal letter to the Union with a copy of the State Controller's Office within thirty (30) calendar days prior to the expiration of this Contract.

3.2 Release of Home Addresses: Non Law Enforcement Employees

1. Consistent with PERB regulations and State law, the State shall continue to provide the Union with home addresses on a monthly basis for all employees covered by this Contract until it expires.
2. Notwithstanding any other provision of this Contract, any employee may have his/her home address withheld from the Union at any time by submitting a written request to his/her appointing power on a form provided by the State.

B. Home Address Withholding

Effective one month following ratification of this Contract by both parties, the State will no longer use an Employee Action Request form that provides employees with the option of having their home address withheld from the Union. Instead, bargaining unit employees will, upon request on their own initiative, be given a separate form by their appointing power that permits two choices: (1) withhold their address from the Union, or (2) to cancel a previous withhold request thereby permitting release of their home address to the Union.

C. Home Address Withhold Notification to Employees

Within one month following ratification of this contract by both parties, the State will send a letter drafted by the Union to all existing employees that have previously requested their home address be withheld. The letter will provide said employees with the option of canceling their previous withhold request thereby permitting release of their home address to the Union

D. Release and Use of Addresses

The State Controller's Office shall send the Union a list of all Bargaining Unit 1, 3, 4 and 11 employees who, pursuant to subsection (C) above, either did not respond or responded by indicating they wanted to continue withholding their home address from the Union. Said list(s) will contain the employee's name, agency, and reporting unit.

E. Home Address Mailings by the State

The State will mail Union information once per year to the home address of bargaining unit employees who have requested their home address be withheld from the Union. Said material shall be provided by the Union. The cost of this mailing shall be paid for by the Union. The Union agrees to hold the State harmless for any annual mail that does not reach employees in Bargaining Units 1, 3, 4 and 11.

F. Address Confidentiality

Employee work and home addresses shall be maintained as confidential by the Union. The Union shall take all reasonable steps to ensure the security of work and home addresses, and shall not disclose or otherwise make them available to any person, entity, or organization.

G. Costs Reimbursable

The Union agrees to pay necessary and reasonable costs incurred by the State Controller's Office to produce the necessary name/home/work address tape file on a monthly basis.

H. Hold Harmless and Indemnification

Notwithstanding any other provision of this Contract, the Union agrees to jointly defend this section and to hold the State of California, its subdivisions, and agents harmless in defending challenges of any nature arising as a result of this section of the Contract.

I. Nature of Material

The Union agrees that any literature mailed to employees by the State will not be libelous, obscene, defamatory, or of a partisan political nature or constitute a solicitation of any product or service unrelated to representation by the Union, including that provided by and mailed on behalf of the Union. Advertisements or articles in Union provided material involving partisan politics shall not be considered of a partisan political nature or constitute a solicitation of any product or service for the purposes of this Contract.

ARTICLE 4 – STATE'S RIGHTS

Employee vacation requests shall be submitted and granted or denied in writing in a timely manner. Vacations can only be cancelled when unanticipated operational needs require it.

H. Vacation requests must be submitted in accordance with departmental policies on this subject. However, when two (2) or more employees on the same shift (if applicable) in a work unit (as defined by each department head or designee) request the same vacation time and approval cannot be given to all employees requesting it, employees shall be granted their preferred vacation period in order of seniority (defined as total months of State service in the same manner as vacation is accumulated). When two (2) or more employees have the same amount of State service, department seniority will be used to break the tie. Vacation schedules, which have been established in a work unit, pursuant to the seniority provisions in this article, shall not be affected by employee(s) entering the unit after the schedule has been established.

I. By June 1 of each calendar year those employees whose vacation balance exceeds, or could exceed by December 31, the vacation cap of Article 8.1 (J) must submit to their supervisor for approval a plan to use vacation to bring their balance below the cap. If the employee fails to submit a plan, or adhere to an approved plan, the department head or designee has the right to order an employee to take sufficient vacation to reduce the employee's vacation balance or potential balance on December 31 below the cap specified in Section 8.1 (J).

J. If an employee does not use all of the vacation that the employee has accrued in a calendar year, the employee may carry over his/her accrued vacation credits to the following calendar year to a maximum of 400 hours. A department head or designee shall permit an employee to carry over more than 400 hours of accrued vacation leave hours if an employee was unable to reduce his/her accrued hours because the employee: (1) was required to work as a result of fire, flood, or other extensive emergency; (2) was assigned work of a priority or critical nature over an extended period of time; (3) was absent on full salary for compensable injury; (4) was prevented by department regulations from taking vacation until December 31 because of sick leave; or (5) was on jury duty.

8.2 Sick Leave

A. As used in this section, "sick leave" means the necessary absence from duty of an employee because of:

1. Illness or injury, including illness or injury relating to pregnancy.
2. Exposure to a contagious disease which is determined by a physician to require absence from work.
3. Dental, eye, and other physical or medical examination or treatment by a licensed practitioner.
4. Absence from duty for attendance upon the employee's ill or injured mother, father, husband, wife, son, daughter, brother, or sister, or any person residing in the immediate household. Such absence shall be limited to 5 workdays per occurrence or, in extraordinary situations, to the time necessary for care until physician or other care can be arranged.

B. A full-time employee who has 11 or more working days of service in a monthly pay period shall be eligible for up to 8 hours of sick leave credit. On the first day of the monthly pay period following completion of each qualifying pay period of service, each full-time employee shall earn 8 hours of credit for sick leave with pay.

C. Credit for less than full-time employees shall be computed as follows:

1. Part-time employees. On the first day of the monthly pay period following completion of each monthly pay period of continuous service, each part-time employee shall be allowed, on a pro rata basis, the fractional part of his/her appropriate accrual rate of credit for sick leave with pay in accordance with the schedule in Article 7(L);

2. Multiple positions under this rule:

a. An employee holding a position in State service in addition to the primary full-time position with the State shall not receive credit for sick leave with pay for service in the additional position;

b. Where an employee holds 2 or more "less than full-time positions," the time worked in each position shall be combined for purposes of computing credits for sick leave with pay, but such credits shall not exceed the amount earned for (8 hours per pay period) full-time employment credit.

D. The department head or designee shall approve sick leave only after having ascertained that the absence is for an authorized reason and may require the employee to submit substantiating evidence including, but not limited to, a physician's or licensed practitioner's verification. The State recognizes the confidential nature of the relationship between the health care provider and patient. However, such substantiation shall include, but not be limited to, the general nature of the employee's illness or injury and prognosis (i.e., the anticipated length of the absence, any restrictions upon return to work that prevent the employee from performing the full range of his/her normal work assignment and anticipated future absences). If the department head or designee does not consider the evidence adequate, the request for sick leave shall be disapproved. Upon request, a denial of sick leave shall be in writing stating the reason for denial.

E. An employee may be required to provide a physician's or licensed practitioner's verification of sick leave when:

1. The employee has a demonstrable pattern of sick leave abuse; or

2. The supervisor believes the absence was for an unauthorized reason.

F. Sick leave may be accumulated without limit.

G. Sick leave may be requested and taken in 15 minute increments.

H. A full-time employee whose continuity of employment is broken by a permanent separation of 6 months or longer and is subsequently reemployed cannot be credited with any unused sick leave accumulated prior to the employee's separation and the full-time employee must complete one month of continuous service before being granted one day of sick leave credit. In addition, when a full-time employee has a break in the continuity of employment because of a permanent separation of less than six months or because of a temporary separation, the full-time employee's prior unused sick leave balance is restored.

I. When an employee's sick leave balance is zero, other leave credits such as vacation, CTO, PLP, personal holiday, personal day, or holiday leave may be substituted with the supervisor's approval, and shall not be unreasonably denied.

8.3 Bereavement Leave

A. A department head or designee shall authorize bereavement leave with pay for a permanent or probationary full-time State employee due to the death of his/her parent, step-parent, spouse, child, grandchild, grandparent, brother, sister, stepchild, or death of any person residing in the immediate household of the employee at the time of death. Such bereavement leave shall be authorized for up to three eight-hour days (24 hours) per occurrence. The employee shall give notice to his/her immediate supervisor as soon as possible and shall, if requested by the employee's supervisor, provide substantiation to support the request upon the employee's return to work.

B. A department head or designee shall authorize annual leave, vacation, personal holiday, personal day, holiday credit, CTO, or PLP for a permanent full-time or probationary full-time State employee due to the death of his/her mother-in-law, father-in-law, daughter-in-law, son-in-law, sister-in-law, brother-in-law. Such leave shall be authorized for up to three regular workdays (24 hours) per fiscal year. The employee shall give notice to his/her immediate supervisor as soon as possible and shall, if requested by the employee's supervisor, provide substantiation to support the request.

C. If the death of a person as described above requires the employee to travel over 400

miles one way from his/her home, additional time off with pay shall be granted for two additional days which shall be deducted from accrued sick leave. Should additional leave be necessary, the department head or designee may authorize the use of existing leave credits or authorized leave without pay.

D. Employees may utilize their vacation, CTO, or any other earned leave credits for additional time required in excess of time allowed in (A) or time required due to the death of other relatives not listed in (A) above. Sick leave may be utilized for Bereavement Leave in accordance with the provisions of sick leave in Article 8.2.

E. Fractional (time base (part-time) employees will be eligible for bereavement leave on pro rata basis, based on the employees' fractional time base. [See chart in Article 7(L) in this Contract.]

8.4 Parental Leave

A. A female permanent employee shall be entitled, upon request, to an unpaid leave of absence for purposes of pregnancy, childbirth, recovery therefrom or care for the newborn child for a period not to exceed one (1) year. The employee shall provide medical substantiation to support her request for pregnancy leave. The request must include the beginning and ending dates of the leave and must be requested no later than 30 calendar days after the birth of the child. Any changes to the leave, once approved, are permissive and subject to the approval of the department head or designee.

B. A male spouse or male parent, who is a permanent employee, shall be entitled, upon request, to an unpaid leave of absence for a period not to exceed one (1) year to care for his newborn child. The employee shall provide medical substantiation to support his request for parental leave. The request must include the beginning and ending dates of the leave and must be requested no later than 30 calendar days after the birth of the child. Any changes to the leave, once approved, are permissive and subject to the approval of the department head or designee.

C. If the request for parental leave is made more than thirty (30) calendar days after the birth of the child, a permissive unpaid leave of absence may be considered by the department head or designee.

D. During the period of time an employee is on parental leave, he/she shall be allowed to continue their health, dental, and vision benefits. The cost of these benefits shall be paid by the employee and the rate that the employee will pay will be the group rate.

8.5 Adoption Leave

A. A department head or designee shall grant a permanent employee's request for an unpaid leave of absence for the adoption of a child for a period not to exceed one (1) year. The employee may be required to provide substantiation to support the employee's request for adoption leave.

B. During the period of time an employee is on adoption leave, he/she shall be allowed to continue their health, dental, and vision benefits. The cost of these benefits shall be paid by the employee and the rate that the employee will pay will be the group rate.

C. Existing leave credits may be used for the purpose of assuming custody of the adopted child.

The Union shall have the choice of requesting an unpaid leave of absence or a paid leave of absence (Union leave) for a Union bargaining council representative, steward, or chief job steward. An unpaid leave of absence may be granted by the State pursuant to the unpaid leave of absence provisions in this contract. A Union leave may also be granted during the term of this Contract at the discretion of the affected department head or designee in accordance with the following:

1. The Union leave shall normally be requested on a State-approved form, fourteen (14) calendar days prior to the date of the leave.

2. A Union leave shall assure an employee the right to his/her former position upon termination of the leave. The term "former position" is defined in Government Code Section 18522.

3. The Union agrees to reimburse the affected department(s) for the full amount of the affected employee's salary, plus an additional amount equal to 35 percent of the affected employee's salary, for all the time the employee is off on a Union leave.

4. The affected employee shall have no right to return from a Union leave earlier than the agreed upon date without the approval of the employee's appointing power.

5. Except in emergencies or layoff situations, a Union leave shall not be terminated by the department head or designee prior to the expiration date.

6. Employees on a Union leave shall suffer no loss of compensation or benefits.
7. Whether or not time for a Union leave is counted for merit purposes shall be determined by the State Personnel Board and such determination shall not be grievable or arbitrable.
8. Employees on Union leave under this provision and the Union shall waive any and all claims against the State for Workers' Compensation and Industrial Disability Leave.
9. In the event an employee on a Union leave, as discussed above, files a Workers' Compensation claim against the State of California or any agency thereof, for an injury or injuries sustained while on a Union leave, the Union agrees to indemnify and hold harmless the State of California or agencies thereof, from both workers' compensation liability and any costs of legal defense incurred as a result of the filing of the claim.

8.7 Unpaid Leave of Absence

A. A department head or designee may grant an unpaid leave of absence for a period not to exceed one (1) year. The employee shall provide substantiation to support the employee's request for an unpaid leave of absence.

B. Except as otherwise provided in subsection (C) below, an unpaid leave of absence shall not be granted to any employee who is accepting some other position in State employment; or who is leaving State employment to enter other outside employment; or does not intend to, nor can reasonably be expected to, return to State employment on or before the expiration of the unpaid leave of absence. A leave, so granted, shall assure an employee the right to his/her former position upon termination of the leave. The term "former position" is defined in Government Code Section 18522.

C. An unpaid leave of absence may be granted for, but not limited to, the following reasons:

1. Union activity;
2. For temporary incapacity due to illness or injury;
3. To be loaned to another governmental agency for performance of a specific assignment;
4. To seek or accept other employment during a layoff situation or otherwise lessen the impact of an impending layoff;
5. Education;

8.10 Release Time for State Civil Service Examinations

A. Employees who are participating in a State civil service examination shall be granted reasonable time off without loss of compensation to participate in an examination if the examination has been scheduled during his/her normal work hours and the employee has provided reasonable (normally two working days) notice to his/her supervisor. For the purposes of this section, hiring interviews for individuals certified from employment lists, individuals on SROA lists seeking transfers, or individuals seeking transfers in departments where the department head or designee determines the department is in a layoff mode shall be considered part of the examination process. The State shall attempt to accommodate a shift change request from an employee who is scheduled to work a graveyard shift on the day of a State Personnel Board examination.

B. Authorized release time for reasonable travel time to and from the examination site may be granted by the department.

8.11 Release Time for State Personnel Board Hearings

Upon two (2) working days advance notice, the State shall provide reasonable time off without loss of compensation for a reasonable number of employees to attend hearings conducted by the California State Personnel Board during the employee's normal work hours provided that the employee is either (1) a party to the hearing proceedings, e.g., an appellant, or (2) is specifically affected by the results of the hearing and has been scheduled to appear or testify before the State Personnel Board. The State shall attempt to accommodate a shift change request from an employee involved in (1) or (2) above on the day of a State Personnel Board hearing.

8.12 Leave Credits Upon Transfer in State Service

All employees shall, upon transfer in State service, transfer with all accumulated vacation, annual leave, personal leave, personal days and sick leave credits.

8.13 Court Appearance and/or Subpoenas

A. Whenever an employee is served with a subpoena which compels his/her presence as a witness, unless he/she is a party or an expert witness, such employee shall be granted a leave of absence with pay in the amount of the difference between the employee's regular earnings and any amount he/she receives for such appearance.

B. This action shall not be applicable to appearances for which the employee receives compensation in excess of his/her regular pay.

8.14 Jury Duty

A. An employee shall be allowed such time off without loss of compensation as is required in connection with mandatory jury duty. Upon receiving notice of jury duty an employee shall immediately provide a copy of the notice to his/her supervisor.

B. If payment is made for such time off, the employee is required to remit to the State jury fees received. If an employee elects to use accrued vacation leave or compensating time off while on jury duty, the employee is not required to remit jury fees. For the purposes of this section, "jury fees" means fees received for jury duty excluding payment for mileage, parking, meals, or other out-of-pocket expenses.

C. For an employee summoned to jury duty during hours other than the employee's regular and customary shift, management will endeavor to temporarily reassign the employee to a work shift that more closely coincides with the hours the employee is required to serve on jury duty, including any necessary travel time, subject to the following:

1. The department already maintains an appropriate work shift that utilizes the employee's classification; and

2. The operational needs of the department permit such reassignment.

D. An employee shall be allowed time off without loss of compensation if approved by the department head or designee for voluntary jury duty such as grand jury. If approved by the department, paragraphs (B) and (C) apply.

E. For the purpose of this section, an employee summoned to jury duty may be required to adjust their work shift to an eight hour schedule.

F. An employee summoned to jury duty who does not serve for a full day or who is placed on "on-call" status shall return to work to complete his/her scheduled workday if reasonable time remains for such return. An employee may not be required to report back to work if he/she feels there is not reasonably enough time left in the workday and if the employee's supervisor concurs. Concurrence will not be unreasonably withheld.

8.15 Personal Leave Program

A. Personal Leave shall be requested and used by the employee in the same manner as vacation or annual leave. Requests to use Personal Leave must be submitted in accordance with departmental policies on vacation or annual leave. Employees may not be required to use Personal Leave credits.

B. At the discretion of the State, all or a portion of unused Personal Leave credits may be cashed out at the employee's salary rate at the time the Personal Leave payment is made. It is understood by both parties that the application of this cash out provision may differ from department to department and from employee to employee. Departments shall consider an employee's request to retain leave credits for future use rather than have the leave cashed out. Upon termination from State employment, the employee shall be paid for unused Personal Leave credits in the same manner as vacation or annual leave. Cash out or lump sum payment for any Personal Leave credits shall not be considered as "compensation" for purposes of retirement. If funds become available for the Personal Leave program, departments will offer employees the opportunity to cash out accrued Personal Leave.

C. If any dispute arises about this Personal Leave section, an employee may file a grievance and the decision reached at Step 4 (Department Of Personnel Administration) of the grievance procedure shall be final and not subject to the arbitration clause of this contract.

D. Personal leave credits shall not be counted towards the 1,734/1,934 hours of compensation for Special School employees subject to the State Special Schools 10-Month Compensation Agreement.

8.16 Family Medical Leave Act (FMLA)

A. The State acknowledges its commitment to comply with the spirit and intent of the leave entitlement provided by the FMLA and the California Family Rights Act (CFRA) referred to collectively as "FMLA." The State and the Union recognize that on occasion it will be necessary for employees of the State to take job-protected leave for reasons consistent with the FMLA. As defined by the FMLA, reasons for an FMLA leave may include an employee's serious health condition, for the care of a child, spouse, or parent who has a serious health condition, and/or for the birth or adoption of a child.

B. For the purposes of providing the FMLA benefits the following definitions shall apply:

1. An eligible employee means an employee who meets the eligibility criteria set forth in the FMLA;

2. An employee's child means any child, regardless of age, who is affected by a serious health condition as defined by the FMLA and is incapable of self care. "Care"

as provided in this section applies to the individual with the covered health condition;
3. An employee's parent means a parent or an individual standing in loco parentis as set forth in the FMLA;

4. Leave may include paid sick leave, vacation, annual leave, personal leave, catastrophic leave, holiday credit, excess hours, and unpaid leave. In accordance with the FMLA, an employee shall not be required to use CTO credits, unless otherwise specified by Article 8.8 of this Contract.

a. FMLA absences due to illness and/or injury of the employee or eligible family member, may be covered with the employee's available sick leave credits and catastrophic leave donations. Catastrophic leave eligibility and sick leave credit usage for a FMLA leave will be administered in accordance with Article 8.8 and 8.2 of this Contract.

b. Other leave may be substituted for the FMLA absence due to illness and/or injury, at the employee's discretion. An employee shall not be required to exhaust all paid leave, before choosing unpaid leave, unless otherwise required by Article 8.8 of this Contract.

c. FMLA absences for reasons other than illness and/or injury (i.e., adoption or care of an eligible family member), may be covered with leave credits, other than sick leave, including unpaid leave, at the employee's discretion. Except in accordance with Article 8.8 of this Contract, an employee shall not be required to exhaust all leave credits available before choosing unpaid leave to cover an FMLA absence.

C. An eligible employee shall be entitled to a maximum of 12 workweeks (480 hours) FMLA leave per defined year and all other rights set forth in the FMLA. This entitlement shall be administered in concert with the other leave provisions in Article 8 of this Contract. Nothing in this Contract should be construed to allow the State to provide less than that provided by the FMLA.

D. An eligible employee shall provide certification of the need for an FMLA leave. Additional certification may be requested if the department head or designee has reasonable cause to believe the employee's condition or eligibility for FMLA leave has changed. The reasons for the additional certification request shall be provided to the employee in writing.

E. FMLA leave shall be recorded in accordance with the 12 month "rolling backward" year. A "rolling" 12-month period is measured backward from the date the employee uses any FMLA leave. Each time an employee takes an FMLA leave, the remaining leave entitlement is any balance of the twelve (12) workweeks that has not been used during the preceding twelve (12) months.

F. An employee on FMLA leave has a right to be restored to his/her same or "equivalent" position (FMLA) or to a "comparable" position (CFRA) with equivalent pay, benefits, and other terms and conditions of employment.

G. For the purposes of computing seniority, employees on paid FMLA leave will accrue seniority credit in accordance with the Department of Personnel Administration Rules 599.608 and 599.609.

H. Any appeals regarding an FMLA decision should be directed to the department head or designee. FMLA is a Federal law and administered and enforced by the Department of Labor, Employment Standards Administration, Wage and Hour Division. The State's CFRA is a State law which is administered and enforced by Department of Fair Employment and Housing. FMLA/CFRA does not supersede any article of this Contract which provides greater family and medical leave rights. This section is not subject to grievance or arbitration.

"Mentoring leave" does not have to be requested in the same week or month as the personal time was used. It does, however, have to be requested and used before the end of the calendar year.

For example, if an employee requests two (2) hours of "mentoring leave", he or she must have used two (2) verified hours of his or her personal time prior to receiving approval for the "mentoring leave". "Mentoring leave" does not have to be requested in the same week or month as the personal time was used. It does, however, have to be requested and used before the end of the calendar year.

F. In addition, an employee is not eligible to receive "mentoring leave" if:

1. He or she is assigned to a "post" position in the Departments of Corrections or Youth Authority; or

G. Any appeals and/or disputes regarding this section shall be handled in accordance with the Complaint procedure specified in Section 6.2 (B) of this Contract.

8.18 Educational Leave (Unit 3)

A. The State and the Union recognize the importance of Educational Leave. Each department may review the current departmental educational leave policy within 120 days of the ratification of this agreement. Each department will meet and confer with the Union on the impact of changes made in the current policy based upon the department's review. This policy will at a minimum contain: criteria for course approval, an appeal of denial mechanism to an individual other than the immediate supervisor of the individual making the denial, a time specific application process for employees to request usage of education leave, and documented verification of successful completion of approved course work.

B. The department head or designee may approve educational leave with pay to attend programs at accredited schools, colleges (including 2 year and 4 year), universities (including independent studies) or programs recommended by a Trade Advisory Council for the purpose of further instruction in subjects related to the employee's work assignment and/or achievement of departmental goals. Approved educational leave shall be granted for reasonable travel time, instructional/classroom time and required field work during regular work hours.

1. Only Unit 3 civil service employees in classes currently eligible for educational leave are eligible under this provision.
2. The department head or designee may, at any time, limit the number of persons on educational leave commensurate with departmental work requirements, fiscal resources and availability of an appropriate substitute. A teacher/instructor whose written request for educational leave is denied shall be informed in writing of the reasons for such action within 14 calendar days. If an employee is denied education leave on three consecutive occasions he/she may request a review of the criteria upon which the leave was denied by a department head or designee.
3. Eligible employees must have at least one (1) year of permanent full-time service in a classification which accrues educational leave before being granted such leave.
4. Eligible employees will be credited with educational leave at a rate of 10 hours per

month. Portions of months of service shall not be counted or accumulated.

5. Tuition and all other expenses incurred as a result of educational leave will be the responsibility of the employee.

6. The State will encourage the employee to utilize Educational Leave. When an employee eligible for educational leave is granted time off in accordance with Paragraph B. above, such time off shall be deducted from his/her educational leave balance.

7. When on educational leave, employees shall retain their merit salary adjustment date, and shall receive credit for vacation, sick leave, educational leave, or any other benefit which would normally accrue during such work period.

8. The Department of Personnel Administration shall provide by rule for the regulation, accumulation, and transfer of educational leave, and shall prescribe methods by which employees leaving the employment of one State agency and entering the employment of another State agency may receive proper credit for their accumulated educational leave.

9. Requests under this Section shall not be unreasonably denied by the State nor shall employees make unreasonable requests to use education leave.

10. An employee returning from educational leave shall have the right to return to his/her former position. Every reasonable effort will be made to return the employee to the same position.

C. The State and the Union (parties) agree to support legislation implementing this agreement that would allow the conversion of educational leave into retirement service credit under the California Public Employees Retirement System (CalPERS). Upon the retirement of an employee, all accrued hours of educational leave would be converted to CalPERS service. This conversion shall be at the same rate of conversion as is presently done with sick leave. The proposed legislative language follows:

Section 20963.1 is added to the Government Code, to read:

Section 20963.1 Unused Education Leave for State Members.

A State member, who is represented by Unit 3 or Unit 21 and whose effective date of retirement is within four months of separation from employment of the State, shall be credited at his or her retirement with 0.004 year of service for each unused day of educational leave credit, as certified to the board by the employer. The provisions of this Section shall be effective for eligible State members who retire directly from State employment on and after January 1, 2000, provided a memorandum of understanding has been agreed upon by the State employer and the recognized employee organization to become subject to this Section.

D. This Section does not apply to the exempt employees of the Special Schools of the Department of Education and Librarians.

8.19 10-12 and 11-12 Leave (Unit 3)

A. A department head may, upon the request of an employee, grant a leave of absence:

1. not to exceed 75 calendar days to permanent or probationary civil service employees or
2. not to exceed any two (2) pay periods during the period designated by the department head for release from performance of duties to full-time permanent or probationary employees. These need not be consecutive months. Such leave shall be without pay for persons employed and paid under the provisions of DPA Regulation 599.666 and with deferred pay for persons employed and paid under the provisions of DPA Regulation 599.667.

B. Leaves of absence granted under the provisions of these rules shall be counted as qualifying service for merit and special in-grade salary adjustments, for seniority and for computation of months of total State service to determine a change in the monthly credit for vacation leave. For all other purposes, leaves of absence granted pursuant to this Section shall not be counted as qualifying service.

C. All Unit 3 employees, except exempt teachers of the Department of Education, may request to utilize the 10-12 and/or 11-12 plan.

D. Any denial of the 10-12 or 11-12 plan shall be accompanied by a reason in writing.

E. An employee returning from 10-12, 11-12 leave shall have the right to return to his/her former position. Every reasonable effort will be made to return the employee to the same position.

F. Within sixty (60) days of ratification of this agreement the Union and the State will meet with the State Controller to work out implementation of the provisions in the above

agreement in regards to pay, benefits and PERS service credit. That implementation agreement will become an addendum to this Contract.

8.20 9-12 Leave Plan (Unit 3)

A. A department head may, upon the request of an employee, grant a leave of absence not to exceed any three (3) pay periods during the period designated by the department head for release from performance of duties to full-time permanent or probationary employees. Such leaves shall be without pay for persons employed and paid under the provisions of DPA Regulations to be developed and with deferred pay for persons employed and paid under the provisions of DPA Regulations. These need not be consecutive months.

B. Leaves of absence granted under the provisions of these rules shall be counted as qualifying service for merit and special in-grade salary adjustments, for seniority, and for computation of months of total State service to determine a change in the monthly credit for vacation leave. For all other purposes, leaves of absence granted pursuant to this Section shall not be counted as qualifying service.

C. All Unit 3 employees, except exempt teachers of the Department of Education, may request to utilize the 9-12 plan.

D. Any denial of the 9-12 plan shall be accompanied by a reason in writing.

E. An employee returning from 9-12 leave shall have the right to his/her former position. The term "former position" is defined in Government Code Section 18522.

ARTICLE 9 - HEALTH AND WELFARE

9.1 Health Benefit Plans

A. Health Program Description

1. Contribution Amounts

a. From July 1, 1999 to December 31, 1999, the State agrees to pay the following contribution for health benefits. To be eligible for this contribution, an employee must positively enroll in a health plan administered or approved by PERS.

(1) The State shall pay \$174 per month for coverage on an eligible employee.

(2) The State shall pay \$332 per month for coverage of an eligible employee plus one dependent.

(3) The State shall pay \$432 per month for coverage of an employee plus two or more dependents.

b. From January 1, 2000 to June 30, 2001, the State agrees to pay the following contribution for health benefits. To be eligible for this contribution, an employee must positively enroll in a health plan administered or approved by PERS.

(3) The State shall pay \$452 per month for coverage of an employee plus two or more dependents.

c. The parties agree to work cooperatively with CalPERS and the health plans to control premium increases. One method to control premiums would be to incorporate higher co-payments into the health plans as soon as possible. Any premium savings that result from these co-payment changes will be used to offset employee out-of-pocket premium costs.

B. Health Benefits Eligibility

1. Employee Eligibility

a. For purposes of this section, "eligible employee" shall be defined by the Public Employees' Medical and Hospital Care Act.

b. Permanent Intermittent Employees

(1) Initial Eligibility - A permanent intermittent employee will be eligible to enroll in health benefits during each calendar year if the employee has been credited with a minimum of 480 paid hours in one of two control periods. For purposes of this section, the control periods are January 1 through June 30 and July 1 through December 31 of each calendar year. An eligible permanent intermittent employee must enroll in a health benefit plan within 60 days from the end of the qualifying control period.

(2) Continuing Eligibility - To continue health benefits, a permanent intermittent employee must be credited with a minimum of 480 paid hours in a control period or 960 paid hours in two consecutive control periods.

2. Family Member Eligibility

For purposes of this section, "eligible family member" shall be defined by the Public

Employees' Medical and Hospital Care Act.

3. Technical Clean Up To Health Benefit Vesting Language

The Union agrees to support legislation to amend Section 22825.3 to read as follows:

22825.3(a) Notwithstanding Sections 22825, 22825.1, and 22825.2 State employees who become State members of the Public Employees' Retirement System after January 1, 1989, and who are included in the definition of State employee in subdivision (c) of Section 3513 shall not receive any portion of the employer's contribution payable for annuitants, pursuant to Section 22825.1, unless these employees are credited with 10 years of State service as defined by this section, at the time of retirement.

22825.3(b) Notwithstanding Sections 22825, 22825.1 and 22825.2, a State employee who became a State member of the Public Employees' Retirement System after January 1, 1990, and is either (1) excluded from the definition of State employee in subdivision (c) of Section 3513; or (2) a non-elected officer or employee of the executive branch of government who is not a member of the civil service, shall not receive any portion of the employer's contribution payable for annuitants, pursuant to Section 22825.1, unless the employee is credited with 10 years of State service as defined by this section, at the time of retirement.

22825.3(c) The percentage of employer contribution payable for post-retirement health benefits for an employee subject to this section shall be based on the member's completed years of state service at retirement as shown in the following table:

CREDITED YEARS SERVICE	PERCENTAGE OF EMPLOYER CONTRIBUTION
10	50
11	55
12	60
13	65
14	70
15	75
16	80
17	85
18	90
19	95
20	100

22825.3(d) This section shall only apply to state employees who retire from service.

22825.3(e) Benefits provided to an employee subject to this shall be applicable to all future State service.

22825.3(f) For purposes of this section, "State service" shall mean service rendered as an employee or an appointed or elected officer of the State for compensation. In those cases where the State assumes or has assumed from a public agency a function and the related personnel, service rendered by that personnel for compensation as employees or appointed or elected officers of that local public agency shall not be credited, at retirement, as State service for the purposes of this section, unless the former employer has paid or agreed to pay the State agency the amount actuarially determined to equal the cost for any employee health benefits which were vested at the time that the function and the related personnel were assumed by the State. For non-contracting local public agencies the State department shall certify the completed years of local agency service to be credited to the employee to the Public Employees' Retirement System at the time of separation for retirement.

22825.3(g) Whenever the State contracts to assume a local public agency function, completed years of service rendered by the personnel for compensation as employees or appointed or elected officers of the local public agency shall be credited as State service only upon a finding by the Department of Finance that the contract contains a benefit factor sufficient to reimburse the State for the amount necessary to fully compensate the State for post-retirement health benefit costs for those personnel.

22825.3(h) This section shall not apply to employees of the California State University or the Legislature.

9.2 Dental Benefit Plans

A. Contribution Amounts

1. From July 1, 1999 to July 31, 1999, the State agrees to pay the following contribution for dental benefits. To be eligible for this contribution, an employee must positively enroll in a dental plan administered by the Department Of Personnel Administration.

a. The State shall pay \$23.97 per month for coverage of an eligible employee.

b. The State shall pay \$43.41 per month for coverage of an eligible employee plus one dependent.

c. The State shall pay \$63.54 per month for coverage of an eligible employee plus two or more dependents.

2. From August 1, 1999 to June 30, 2001, the State agrees to pay the following contributions for dental benefits. To be eligible for this contribution, an employee must positively enroll in a dental plan administered by the Department of Personnel Administration.

a. The State shall pay \$30.70 per month for coverage of an eligible employee.

b. The State shall pay \$55.60 per month for coverage of an eligible employee plus one dependent.

c. The State shall pay \$81.38 per month for coverage of an eligible employee plus two or more dependents.

3. The employee will pay any premium amount for the dental plan in excess of the State's contribution, except that the employee's share of the cost shall not exceed 25 percent of the total premium.

4. The State agrees that \$296,845.56 (Unit 1), \$15,602.80 (Unit 3), \$214,455.37 (Unit 4), and \$17,330.85 (Unit 11) of the money remaining in the Delta Dental Surplus Account shall be applied to the employees' share of any rate increases incurred in the dental indemnity program during the plan year ending December 31, 1999. If no rate increase occurs, then said amount shall be applied to the employees' share of any dental benefit rate increase occurring during the plan year ending December 31, 2000. The Union agrees that this is a full and final settlement and release of all known and all unknown disputes, claims, injuries, debts, or damages relating to Delta Dental premiums deducted under the terms of the 1992 - 1995 collective bargaining contract.

B. Employee Eligibility

Employee eligibility for dental benefits will be the same as that prescribed for health benefits under Section 9.1 (B) (1).

C. Family Member Eligibility

Family member eligibility for dental benefits will be the same as that prescribed for health benefits under Section 9.1 (B) (2).

D. Coverage During First 24 Months Of Employment

Employees appointed into State service on or after January 1, 1993, and who meet the above eligibility criteria, will not be eligible for enrollment in the State sponsored fee-for-service plan until they have completed 24 consecutive months of employment without a permanent break in service. However, if no alternative plan or prepaid plan is available within a 50-mile radius of the employee's residence, the employee will be allowed to enroll in the fee-for-service plan.

9.3 Vision Benefit Plan

A. Program Description

The employer agrees to provide a vision benefit to eligible employees and dependents. The vision benefit provided by the State shall have an employee co-payment of \$10 for the comprehensive annual eye examination and \$25 for materials.

B. Employee Eligibility

Employee eligibility for vision benefits will be the same as that prescribed for health benefits under Section 9.1 (B) (1).

C. Family Member Eligibility

Family member eligibility for vision benefits will be the same as that prescribed for health benefits under Section 9.1 (B) (2).

9.4 Rural Subsidy Program

Effective January 1, 2000, the State shall establish a rural subsidy program for Bargaining Units 1, 3, 4 and 11 members, which may be administered in conjunction with a similar program for State employees in other bargaining units, for excluded employees, and for

annuitants. The Department Of Personnel Administration shall administer any fund involving Bargaining Units 1, 3, 4 and 11 members.

A. The program shall operate in the following fashion:

1. The State shall contribute \$1,500 per year on behalf of each bargaining unit member (employee) who lives in a defined rural area, as more definitely described in Government Code section 22825.01 which is incorporated herein by reference.

a. For Bargaining Unit 1, 3, 4 and 11 members, because a substantial number of them are seasonal employees, payments shall be on a monthly basis.

b. For permanent employees, as in the "Medical Reimbursement Account" situation, the employee does not have to wait for reimbursement of covered medical expenses until the full amount has been deposited.

2. As to any employee who enters State service or leaves State service during a fiscal year, contributions for such employee shall be made on a pro rata basis. A similar computation shall be used for anyone entering or leaving the bargaining unit (e.g., promotion in midfiscal year).

3. The money shall be available for use as defined in Government Code Section 22825.01.

4. A Rural Healthcare Equity Trust Fund(s) (hereafter Fund) will be established with a separate account for Bargaining Unit 1, 3, 4 and 11 members, as one of several similar accounts.

5. Each Unit 1, 3, 4 and 11 employee shall be able to utilize up to \$1,500 per year, but with the exceptions for greater utilization hereafter noted. The pro rata limitation pursuant to paragraph (2) is applicable here.

6. If an employee does not utilize the complete \$1,500 pursuant to the procedures and limitations described in Government Code section 22825.01, then the unused monies shall be put in a "same year pool." That same year pool shall be utilized to pay those who have incurred health care expenses in excess of the \$1,500, but again according to the procedures and limitations. The monies in the same year pool would be distributed at the end, or even soon after, each fiscal year to that group of employees who had expenses in excess of \$1,500 in the relevant fiscal year. Those monies shall be distributed on a pro tanto (pro rata) basis.

a. Any employee not in Bargaining Unit 1, 3, 4 and 11 all year shall receive credit under this paragraph (6) utilizing the same pro rata formula as in paragraph (2) above.

b. If an employee is entitled to less than \$25.00 under this paragraph (6), the money shall instead go into next year's fund pursuant to paragraph (6) hereafter.

7. If monies still remain after a distribution to such employees (i.e., all employees who spent more than \$1,500 as provided in the bill were completely reimbursed), then those surplus monies shall be rolled over into the next fiscal year's funds available for distribution to employees whose expenses exceed \$1,500 in such subsequent year. Similar "rollovers" would occur in any years where all employees were completely reimbursed (or had payments made on their behalf) and monies still remained in the pool.

8. Beyond the text of Government Code section 22825.01, the parties will structure and administer the fund in accordance with all applicable IRS and other regulatory statutes and rules.

9. Interest earned from the fund(s), shall be used to offset administrative costs.

10. Notwithstanding the above, if the IRS shall determine that the above benefit violates its statutes or rules (e.g., the payments by the State employer are taxable), then the above provisions shall be of no further force and effect. The parties will negotiate under the Dills Act for a replacement benefit, which shall be "cost neutral" to the employer.

9.5 Employee Assistance Program

A. The State recognizes that alcohol, nicotine, drug abuse, and stress may adversely affect job performance and are treatable conditions. As a means of correcting job performance problems, the State may offer referral to treatment for alcohol, nicotine, drug, and stress related problems such as marital, family, emotional, financial, medical, legal, or other personal problems. The intent of this section is to assist an employee's voluntary efforts to treat alcoholism, nicotine use, or a drug-related or a stress-related problem.

B. Each department head or designee shall designate an Employee Assistance Program Coordinator who shall arrange for programs to implement this Section. Employees who

are referred to an Employee Assistance Program Coordinator will be referred by the appropriate management personnel. An employee undergoing alcohol, nicotine, drug, or mental health treatment, upon approval, may use accrued sick leave credits, CTO, vacation, and holiday credits for such a purpose. Leave of absences without pay may be granted by the department head or designee upon the recommendation of the Employee Assistance Program Coordinator if all sick leave, holiday credits, vacation, and compensating time off have been exhausted, and the employee is not eligible to use Industrial Disability Leave or Non-Industrial Disability Insurance. A list of all Employee Assistance Program Coordinators and a telephone number to contact the appropriate coordinator shall be furnished to the Union within a timely manner after the execution of this Contract. Changes to such lists and phone numbers shall be promptly furnished to the Union when such changes occur.

C. The records concerning an employee's referral and/or treatment shall be kept confidential. No manager, supervisor, department director, or coordinator shall disclose the nature of the employee's treatment or the reason for employee's leave of absence. Records of such referrals shall not be kept in the employee's personnel file.

D. Upon request by the Union, a department which has an internal Employee Assistance Program for its employees will meet to discuss concerns presented by the Union regarding the administration of the program.

9.6 Pre-Tax of Health and Dental Premiums Costs

Employees who are enrolled in any health and/or dental plan which requires a portion of the premium to be paid by the employee, will automatically have their out-of-pocket premium costs taken out of their paycheck before Federal, State, and social security taxes are deducted. Employees who choose not to have their out-of-pocket costs pretaxed, must make an election not to participate in this benefit.

9.7 Pre-Retirement Death Continuation of Benefits

The Union agrees to support legislation that would add Government Code Section 19849.15: 19849.15 Notwithstanding Government Code Section 22777, the State employer shall, upon the death of an employee while in State service, continue to pay employer contributions for health, dental, and vision benefits for a period not to exceed 120 days beginning in the month of the employee's death. The surviving spouse, or any other family member, if any, shall be advised of all rights and obligations during this period regarding the continuation of health and dental benefits as an annuitant by the California Public Employees' Retirement System. The surviving spouse or eligible family member shall also be notified by the department during this period regarding COBRA rights for the continuation of vision benefits. This section shall apply to represented State employees in bargaining units that have agreed to this provision.

9.8 Joint Union/Management Benefits Advisory Committee

A. The State and the Union agree to establish a Joint Union/Management Benefits Advisory Committee to review benefits and to make recommendations on cost containment. This committee shall meet, at least, quarterly. Topics may include, but are not limited to, eligibility, cost containment, number and quality of benefits provided, competitiveness among providers, and standardization of benefit design, utilization, promotion, and cost, wellness and health promotion. This committee shall be advisory in nature.

B. The committee shall be comprised of an equal number of Union and management representatives, the total number to be determined by the Department Of Personnel Administration. The committee shall be co-chaired by a labor and management member.

C. Union members on the committee shall serve without loss of compensation. All other expenses shall be the responsibility of each party participating on this committee.

D. The Department of Personnel Administration will provide necessary staff to support the committee.

9.9 Presumptive Illness

When required by Cal/OSHA provisions, the State shall provide medical examinations for employees working in occupations which expose them to health risks. Examinations shall be in accordance with Cal/OSHA regulations.

9.10 Employee Injury on the Job

A. In the event a disabling injury occurs to an employee while on the job, the State agrees to furnish prompt and appropriate transportation to the nearest physician or hospital. If circumstances permit, the employee's personal choice of physician will be utilized. Employees may submit, in writing, their choice of personal physician to be utilized in the event of an injury on the job.

B. An employee who is directed by his/her supervisor to accompany or transport an injured employee to a physician or medical facility shall suffer no loss of compensation for the time spent.

C. If the treating physician advises the injured employee to go home or the employee is admitted and remains in a hospital or clinic for treatment, the employee shall be paid for his/her full shift.

D. The State shall not use the Department of Industrial Relations Rating Bureau's Advisory Rating form as the vehicle to justify removing a worker from his/her normal work assignments.

9.11 Employee Injury or Disability

Employees shall be eligible for Industrial and Non-Industrial Disability Leave as provided in Government Code Sections 19869 through 19885, except as provided in Section 9.12 (Non-Industrial Disability Insurance) and Section 9.17 (Industrial Disability Leave).

9.12 Non-Industrial Disability Insurance

A. Non-Industrial Disability Insurance (NDI) is a program for State employees who become disabled due to nonwork related disabilities as defined by Section 2626 of the Unemployment Insurance Code.

B. For periods of disability commencing on or after October 1, 1984, eligible employees shall receive NDI payments at 60 percent of their full pay, not to exceed \$135 per week, payable monthly for a period not exceeding 26 weeks for any one disability benefit period. An employee is not eligible for a second disability benefit due to the same or related cause or condition unless they have returned to their regular time base, and work for at least ten (10) consecutive workdays. Paid leave shall not be used to cover the ten (10) workdays.

C. The employee shall serve a ten (10) consecutive calendar day waiting period before NDI payments commence for each disability. Accrued vacation or sick leave balances may be used to cover this waiting period. The waiting period may be waived when the employee is a registered bed patient in a hospital or nursing home, or receives treatment in a hospital or surgical unit or licensed surgical clinic. Procedure rooms and doctor's offices are not included.

D. If the employee elects to use vacation, annual leave, personal leave, or sick leave credits prior to receiving NDI payments, he or she is not required to exhaust the accrued leave balance.

E. Following the start of NDI payments, an employee may, at any time, switch from NDI to sick leave, vacation leave, annual leave, personal leave, or catastrophic leave but may not return to NDI until that leave is exhausted.

F. In accordance with the State's "return to work" policy, an employee who is eligible to receive NDI benefits and who is medically certified as unable to return to full-time work during the period of his or her disability, may upon the discretion of his or her appointing power work those hours (in hour increments) which, when combined with the NDI benefit, will not exceed 100 percent of their regular "full pay." This does not qualify the employee for a new disability period under (B) of this article. The appointing power may require an employee to submit to a medical examination by a physician or physicians designated by the Director of the Employment Development Department for the purpose of evaluating the capacity of the employee to perform the work of his or her position.

G. If an employee refuses to return to work in a position offered by the employer under the State's Injured State Worker Assistance Program, NDI benefits will be terminated effective the date of the offer.

H. Where employment is intermittent or irregular, the payments shall be determined on the basis of the proportionate part of a monthly rate established by the total hours actually employed in the 18 monthly pay periods immediately preceding the pay period in which the disability begins as compared to the regular rate for a full-time employee in the same group or class. An employee will be eligible for NDI payments on the first day of the monthly pay period following completion of 960 hours of compensated work.

I. All other applicable Department of Personnel Administration laws and regulations not superseded by these provisions will remain in effect.

J. Upon approval of NDI benefits, the State may issue an employee a salary advance if the employee so requests.

K. All appeals of a denial of an employee's NDI benefits shall only follow the procedures in the Unemployment Insurance Code and Title 22. All disputes relating to an employee's denial of benefits are not grievable or arbitrable. This does not change either party's contractual rights, which are not related to the denial of an individual's benefits.

9.13 Enhanced Industrial Disability Leave (EIDL)

- A. An employee working in the Department of Corrections or in the Department of the Youth Authority who loses the ability to work for more than 22 workdays as the result of an injury incurred in the official performance of his/her duties may be eligible for financial augmentation to the existing Industrial Disability Leave benefits. Such injury must have been directly and specifically caused by an assault by an inmate, ward, or parolee.
- B. An employee working in the Departments of Developmental Services, Mental Health, or Veterans Affairs who loses the ability to work for more than 22 workdays as the result of an injury incurred in the official performance of his/her duties may be eligible for a financial augmentation to the existing Industrial Disability Leave benefits. Such injury must have been directly and specifically caused by an assault by a resident, patient, client, or member.
- C. The EIDL benefits will be equivalent to the injured employee's net take home salary on the date of occurrence of the injury. EIDL eligibility and benefits may continue for no longer than one year after the date of occurrence of injury. For the purposes of this section, "net salary" is defined as the amount of salary received after Federal income tax, State income tax, and the employee's retirement contribution have been deducted from the employee's gross salary. The EIDL benefit will continue to be subject to miscellaneous payroll deductions.
- D. EIDL will apply only to serious physical injuries and any complications directly related medically and attributable to the assault, as determined by the department director or designee. This benefit shall not be applied to either presumptive, stress-related disabilities, or physical disability having mental origin.
- E. The final decision as to whether an employee is eligible for, or continues to be eligible for EIDL, shall rest with the department director or designee. The department may periodically review the employee's condition by any means necessary to determine an employee's continued eligibility for EIDL.
- F. Other existing rules regarding the administration of IDL will be followed in the administration of EIDL.
- G. This section relating to EIDL will not be subject to the arbitration procedure of this Contract.

9.14 FlexElect Program

- A. The State agrees to provide a flexible benefits program (FlexElect) under Internal Revenue Code Section 125 and related Sections 105(b), 129, and 213(d). All participants in the FlexElect Program shall be subject to all applicable Federal statutes and related administrative provisions adopted by the Department Of Personnel Administration. All eligible employees must have a permanent appointment with a time base of half time or more and have permanent status, or if limited-term or temporary authorized (TAU) position, must have mandatory return rights to a permanent position.
- B. Employees who meet the eligibility criteria stated in Subsection (A) above, will also be eligible to enroll in a Medical Reimbursement and/or Dependent Care Reimbursement account under the FlexElect Program.
- C. The State shall continue its current practice on a cash option in the FlexElect Program.
- D. Permanent Intermittent employees are eligible to participate in the FlexElect Program as described in Article 18 of this Contract.

9.15 Long-Term Care Insurance Plan

- A. Employees are eligible to enroll in any long-term care insurance plan sponsored by the Department of Personnel Administration. The employee's spouse, parents, and the spouse's parents are also eligible to enroll in the plan, subject to the underwriting criteria specified in the plan.
- B. The long-term care insurance premiums and the administrative cost to the Department of Personnel Administration and the State Controller's Office shall be fully paid by the employee and are subject to payroll deductions.

9.16 Temporary Disabled Employees

- A. When an employee claims temporary disability from performing his/her usual and customary duties, and requests modified duties, the State may require medical substantiation of the condition.
- B. Consistent with the State's Reasonable Accommodation Policy, the State shall attempt to provide alternative duties within the individual's medical restrictions and classification, dependent on availability of work and funding.
- C. Any disputes arising out of this section may only be appealed through the State Person-

nel Board's Reasonable Accommodation Appeals Process. This section is not subject to the grievance and arbitration procedure of this Contract.

9.17 Industrial Disability Leave

11.18 Arduous Duty Differential for 4C Employees (Unit 1)

The State shall establish an "arduous pay" program to provide additional compensation to FLSA exempt employees assigned to WWG 4C when there is no other way to recognize the performance of additional duties and responsibility which clearly exceed the normal demands of an employee's classification/position. Employees shall be eligible for this pay differential for up to four months per fiscal year (or per event for emergencies involving loss of life or property).

Requests for arduous pay shall be made to the Department of Personnel Administration on a case-by-case basis by the employing department. The Department of Personnel Administration shall evaluate said requests based on whether it satisfies all of the following.

1. Non-negotiable Deadline or Extreme Urgency

The work must have a deadline or completion date that cannot be controlled by the employee or his/her supervisor, or must constitute an extreme urgency. The deadline or extreme urgency must impose upon the employee an immediate and urgent demand for his/her work that cannot be avoided or mitigated by planning, rescheduling, postponement or rearrangement of work, or modification of the deadline.

2. Work Exceeds Normal Work Hours and Normal Productivity

The work must be extraordinarily demanding and time consuming, and of a nature that it significantly exceeds the normal work week and work productivity expectations of the employee's work assignment.

Employees who are excluded from FLSA are expected to work variable work schedules as necessary to meet the demands of the job. This pay differential is not intended for employees who regularly or occasionally work in excess of the normal work week

to meet normal work load demands. It is intended where in addition to working a significant number of hours in excess of the normal work week, there is a demand for and achievement of greater productivity or result.

3. Work is Unavoidable.

The work must be of a nature that it cannot be postponed, redistributed, modified, reassigned, or otherwise changed in any way to provide relief.

4. Work Involves Extremely Heavy Workload

The work is of a nature that it cannot be organized or planned to enable time off in exchange for the extra hours worked. The absence from work would cause difficulty or hardship on others and would result in other critical work not being completed. Occasional heavy workload of less than 12 to 14 days in duration would not normally satisfy this requirement because time off can be arranged as compensation for this demand.

5. No Other Compensation

The employee who is receiving this pay differential is not eligible for any other additional compensation for the type and nature of the above described work.

Department decisions not to submit arduous pay requests to the Department of Personnel Administration, and DPA decisions to deny arduous pay, shall not be subject to the grievance or arbitration provisions of this agreement.

The differential shall be \$300 per work week, up to \$1200 total per pay period. Any work week that overlaps months should be counted in the month that the work week ends.

An employee may be paid: \$300, \$600, \$900, or \$1200 per pay period.

11.20 California State Lottery Sales Incentive Bonus (Unit 1)

The provisions of this Section become effective the first day of the first complete quarter following the ratification of the Contract by both parties.

The California State Lottery (CSL) reserves the right to manage the variety and quantity of Scratcher products offered for sale in order to stay within its budgetary and legal mandates.

Employees appointed to the CSL classifications of District Sales Representative (DSR) and Key Accounts Specialist (KAS) are eligible to receive a sales bonus based on achievement of sales in the following three product lines: Scratcher products; On-Line products; and a Target Game which shall be designated by the Director or designee.

The following provisions shall govern the program:

A. Prior to the beginning of each new quarter of the fiscal year, the CSL Director or designee shall announce a statewide sales goal for each of the three product lines identified above. Individual achievement of quarterly sales goals for each territory or account list is measured against the established quarterly CSL statewide sales goal for each of the three product lines. The sales bonus for eligible employees is based on sales achievement in each of the three product lines. Scratcher product sales are defined as only those ticket packs that have been financially settled by retailers.

B. The CSL Sales Division shall issue a quarterly report showing the percentage contribution (market share) of the employee's sales area to actual statewide sales.

The "market share" of each sales area is the percentage contribution of the territory or account list to actual statewide sales during the quarter ending one quarter prior to the goal quarter, also identified as the "quarter before last."

Example: The goal for quarter 1 of FY 1999/00 is based on the market share from quarter 3 of FY 1998/99.

C. Each product line is allocated a percentage of the total award dollar with each level as follows: Scratchers product 70 percent, Target Game product 20 percent, and On-Line product 10 percent. Upon completion of each quarter and a qualifying period, if a territory or account list achieves at least a Level 1 sales goal in any product line, the employee receives the appropriate percentage of the total award attributable to that product for the level achieved. With a qualifying period, the employee is eligible to attain an award for each of the three product lines.

D. "Target Game" is that game identified and designated by the Director (CSL) or designee to receive special promotional emphasis. Target Game sales shall be excluded from the goal and achievement of other product lines.

If a Target Game is not designated, the Director or designee shall redirect the Target Game percentage to the other remaining product lines.

E. If the CSL deems it necessary to adjust one or more of the bonus level percentages, it shall notify the Union and meet and confer, upon request, concerning the impact of the proposed adjustment.

F. It is the expectation of the CSL that of employees who achieve bonus, the distribution of levels earned (commonly referred to as the bell curve) will match the following:

Level 1 16%

Level 2 34%

Level 3 34%

Level 4 16%

The parties understand that the actual distribution of employees receiving bonuses as stated above may vary for each quarter and may not exactly match or approximate the percentages described above.

G. Bonus levels and corresponding dollar awards attributable to each level are listed below:

Bonus Level	Level 1	Level 2	Level 3	Level 4
% of Sales Goal Achieved	102%	105%	108%	112%

District Sales Representative (DSR)

Maximum Bonus Award	\$1,100	\$1,600	\$2,100	\$3,200
(70%) Scratcher Product	\$ 770	\$1,120	\$1,470	\$2,240
(20%) Target Game	220	320	420	640
(10%) On-Line Product	110	160	210	320

Key Account Specialist (KAS)

Maximum Bonus Award	\$1,600	\$2,100	\$2,850	\$3,950
(70%) Scratcher Product	\$1,120	\$1,470	\$1,995	\$2,765
(20%) Target Game	320	420	570	790
(10%) On-Line Product	160	210	285	395

H. Each eligible employee described in Subsections 8(b) through 8(h) shall be required to work a qualifying period to be eligible for bonus.

1. A qualifying period is defined as actually working in the territory or actually working an assigned account list a minimum of sixty-five percent (65%) of actual available work hours in a thirteen-week (13) quarter excluding holidays and weekends.

Formula: 13 weeks (91 days) less weekends (26 days) times 8 hours a day less holiday hours times 65% equals a qualifying period.

Example: A qualifying period in a quarter with no holidays equals 338 actual available work hours; a qualifying period in a quarter with one holiday equals 332.8 actual available work hours.

2. A full-time employee who works a qualifying period and who works in an assigned territory or an assigned account list during the quarter is eligible for the appropriate level bonus achieved by that territory/account list during that quarter.

3. An intermittent employee who works a qualifying period and who works in a single territory during the quarter is eligible for the appropriate level bonus achieved by that territory/account list during that quarter.

4. An intermittent employee who works a qualifying period and who works in more than one territory in a single district during the quarter is eligible for the appropriate level bonus achieved by that district during that quarter.

5. An intermittent employee who works a qualifying period and who works in more than one territory and in more than one district in either the North or South region during the quarter is eligible for the appropriate level bonus achieved by that region during that quarter.

6. An intermittent employee who works a qualifying period and who works in more than one territory in both the North and South regions during the quarter is eligible for the appropriate level bonus achieved by the State during that quarter.

7. A permanent part-time employee who works a qualifying period and achieves a sales bonus level in a product line during the quarter is eligible to receive a percentage of the bonus dollar amount for that level consistent with the time base. The qualifying period as defined in Subsection (a) is prorated to the time base.

Example: A three-fourths time DSR who works a qualifying period and who achieves Level 2 Scratcher bonus receives three-fourths of the bonus dollar amount for Scratcher Level 2 and the qualifying period for eligibility is reduced by 25%.

8. An employee appointed to a limited-term or retired annuitant position of DSR or KAS shall be eligible to participate in this program consistent with the criteria established for full-time or intermittent employees.

I. Bonus payments shall be made within sixty (60) days after the quarter ends.

J. Bonus awards paid pursuant to this Section are excluded from compensation for retirement purposes.

K. Bonus awards paid pursuant to this Section are considered compensation for taxation purposes.

L. This Section shall be grievable only to Step 3 of the grievance procedure (Director, California State Lottery).

11.21 California State Lottery Business Building Incentive (BBI) Program (Unit 1)

This provision is effective following ratification by both parties.

A. The objective of the Business Building Incentive (BBI) program shall be to add new

and viable Lottery retailer locations. A new retailer location is one that has never sold Lottery products or has contracted to sell "Scratcher-Only" products.

B. The Lottery Director or designee shall identify a "product game" that shall be the focus of the BBI. The Lottery Director or designee shall also determine the specific criteria for the product game.

C. The classifications of District Sales Representative (DSR) and Key Account Specialist (KAS) shall be eligible for the incentive award.

D. For each new qualifying retailer location, the employee shall receive an incentive award of \$250.

E. The CSL will provide weekly BBI product sales advisory information on a bi-weekly basis to allow tracking of retailer activation and sales activity. An official BBI product sales report will be issued by the CSL following the end of each retailer's qualifying period.

F. The employee shall submit a claim for the recruitment incentive award within thirty (30) days following the issue date of the sales report referenced in Subsection E. Awards shall be paid, upon verification by the CSL, no later than sixty (60) calendar days after the completed claim is submitted by the employee.

G. Program criteria: In addition to specific criteria for the BBI product game determined by the CSL Director or designee (reference in Subsection B.) the following program criteria shall be met:

1. A new retailer shall be one that has never sold Lottery products or has contracted to sell "Scratcher-Only" products.

2. A qualifying retailer shall be located within the employee's regularly assigned territory or on the employee's regularly assigned account list at the date of activation.

3. In the event that more than one employee, DSR/KAS, has direct participation in the recruitment of a qualifying retailer, the incentive award shall be divided evenly equally between the recruiters. Direct participation shall be substantiated by the Lottery Sales Manager or Key Accounts Chief, as appropriate. The Key Accounts Chief shall determine, if necessary, the beginning and ending periods for targeted account recruiting.

4. If the retailer location is re-assigned during a qualifying period from one employee's territory to another (DSR's regularly assigned territory to another DSR's regularly assigned territory or from one KAS's regularly assigned account list to another KAS's regularly assigned account list, or if the employee does not have a regularly assigned territory/account list, the award will be made in favor of the recruiting employee (DSR/KAS).

5. Upon written request from an employee, an exception to specific product game criteria may be granted by the CSL Director or designee prior to retailer activation.

H. Terminal Malfunction: Upon notification from the employee and verification by management that the on-line terminal of the qualifying retailer became inactive due to technical malfunction of the phone line or "the G-Tech" line after the initial activation date and during the qualifying period, said qualifying period will be extended by the number of inactive days. Extensions shall be approved by the Director (CSL) or designee.

I. Game Termination: A BBI product game may be modified or discontinued by the CSL Director or designee due to technical, financial, or legal reasons. If the BBI product game is discontinued, the CSL is not obligated to provide a replacement game. If a retail location meets the criteria established for the game prior to its discontinuance, the recruiting employee shall have qualified for the incentive award. If an employee recruits a new retailer and the CSL subsequently discontinues the BBI product game due to financial, technical, or legal reasons before the new retailer has on-line Status Code 1 or 2, and the CSL introduces a replacement target game within 120 days after the discontinued game, the tracking period shall begin with the effective date of the replacement game. The union shall be given notice and an opportunity, upon request, to meet and discuss the impact of this action.

J. The employee shall submit discrepancy correction for a bona fide retailer within 90 days of the retailer activation. Discrepancies not submitted within the stated period will not be eligible for bonus payment.

K. Incentive awards paid pursuant to this agreement shall be considered compensation for taxation purposes.

L. Incentive awards paid pursuant to this agreement shall be excluded from compensation and withholding for retirement purposes.

M. The provisions of this agreement shall be grievable only through Step 3 of the griev-

ance procedure (Director, CSL).

11.22 California Housing Loan Insurance Fund (CHLIF) Mortgage Insurance Profit Bonus (Unit 1)

Eligible employees in these assignments will be entitled to a bonus not to exceed 10 percent of their base salary based on the performance of the loans insured by California Housing Loan Insurance Fund (CHLIF) in the employee's assigned territory annually. The bonus will be based on maintaining a delinquency rate of less than 1 percent.

The delinquency rate is derived by dividing the number of CHLIF insured loans in the eligible employee's assignment that are delinquent for a period of 90 days or more by the total number of CHLIF insured loans in the employee's assigned territory.

If the delinquency rate for the year is not more than 0.5 percent, the eligible employee will be entitled to the maximum bonus of 10 percent of base salary. If the delinquency rate is more than 0.5 percent but less than 1 percent, the employee will be entitled to a proportional bonus based on the difference between 1% and the actual delinquency rate, as a percentage of 5 percent. For example, if the delinquency rate at the end of the year is 0.62 percent, the bonus percentage would be 76 percent of the maximum bonus payable, or 7.6 percent of base salary. It may be simpler to express this decimally, e.g., delinquency rate of 0.0062 subtracted from 0.01 equals 0.0038 divided by 0.05 equals 0.076 to be applied to the base salary.

The following chart is illustrative of the delinquency and claims bonus structure based on five even delinquency rates. In actuality, the bonuses will be based on the delinquency rate calculated to the nearest hundredth of one percent (0.0001), which translates to two-tenths of one percent (0.002) of annual salary per the formula.

Delinquency	Bonus
0.50%	10% of base salary
0.60%	8% of base salary
0.70%	6% of base salary
0.80%	4% of base salary
0.90%	2% of base salary
1.00%	0% of base salary

Criteria and Calculations for Customer Services, Product Development, Technical Services, and Underwriting Manager:

Employees performing these functions will be eligible to receive a bonus not to exceed 10 percent of their base salary based on the return on equity percentage which exceeds 9 percent, as a percentage of 5 percent. The return on equity is based on the GAAP profit on the average fund equity for the 12 calendar months. For example, if the return on equity at the end of the year is 11 percent, the bonus would be 40 percent of the maximum bonus payable, or 4 percent of salary (i.e., 11% minus 9% = 2%; 2% divided by 5% = 40% of the maximum bonus, or 0.04 of salary).

The following chart is illustrative of the bonus structure for these employees. In actuality, the bonuses will be calculated to the nearest tenth of one percent (0.001) of salary.

Profit %	Bonus %
14.00%	10% of base salary
13.00%	8% of base salary
12.00%	6% of base salary
11.00%	4% of base salary
10.00%	2% of base salary
9.00%	0% of base salary

Bonuses for eligible employees in all categories will be based on the 12 months from January through December and will be paid once per year as soon after December 31 as practicable. Bonuses will be prorated for employees not working a full year in an eligible assignment.

11.23 Accounting Recruitment and Retention Differential - CDC (Unit 1)

A. Upon approval by the Department of Personnel Administration, the Department of Corrections may provide recruitment and retention differentials to Unit 1 employees as follows:

- (1) Either up to \$200.00 per month (monthly differential); or
- (2) Up to \$2,400.00 per year (annual payment).

These differentials may be authorized for specific Unit 1 classifications in specific geographic locations or facilities based on the needs of the State.

B. When the annual payment is authorized, employees must complete twelve (12) con-

secutive qualifying pay periods in order to receive the annual payment. No payment, nor pro rata share of the payment, shall be given if the employee separates or is discharged from State service, is rejected on probation, or voluntarily transfers to another location where the differential is not authorized. Time spent on NDI does not count as a qualifying pay period.

If an employee who is receiving a monthly differential transfers to a location where the differential is not authorized, the differential shall be discontinued.

C. Part-time and intermittent employees shall receive a pro rata share of the annual recruitment and retention differential based on the total number of hours worked, excluding overtime, during the twelve (12) consecutive qualifying pay periods. Part-time and intermittent employees shall receive a pro rata share of the monthly differential based on a total number of hours worked within the monthly pay period.

D. Annual recruitment and retention payments shall not be considered as compensation for purposes of retirement contributions.

E. It is understood by the Union that the decision to implement or not implement annual recruitment and retention payments or monthly differentials or to withdraw authorization for such payments or differentials, and the amount of such payments or differentials, rests solely with the State and that such decision is not grievable or arbitrable.

F. Classifications which are eligible for this differential include:

Class	Schematic Code
Accountant I (Specialist)	JU45
Accountant Trainee	JU50
Accounting Officer	JS85

G. It is understood by the parties that this provision is designed to address recruitment and retention problems that exist in specific classifications at individual facilities, and that the decision to implement such a differential rests solely with the State.

11.24 Professional Competency Pay (Unit 1)

A. Subject to the criteria listed in Section B., a department may recommend to the DPA that a permanent full-time employee who passes the written portion of the Certified Public Accountant (CPA) Examination or the Certified Internal Auditor (CIA) Examination receive a bonus.

B. 1. The bonus shall consist of \$3,600 regardless of the number of certifications received and shall be paid in three equal installments of \$1,200 at intervals of 12 qualifying pay periods. The first installment shall be paid 12 qualifying pay periods after the employee's request and the employer's verification.

2. In order to be eligible for the bonus, the employee's classification must include internal auditing or fiscal examination as a major duty and for which the minimum qualification requires professional accounting or auditing experience or successful completion of prescribed professional accounting courses given by an accredited college or university, including courses in elementary and advanced accounting, auditing, and cost accounting.

3. The employee must have passed the examination after November 30, 1986. No employee who has requested and received the previous form of professional competency pay shall be eligible for this bonus.

C. An employee who transfers to another State department and otherwise continues to qualify for the bonus must request the new department to continue the bonus on schedule. The new department may or may not agree to recommend the continuation of the bonus to DPA. In any case the bonus shall not exceed \$3,600.

D. A Professional Competency Bonus shall not be considered "compensation" for the purposes of retirement.

11.25 Personnel Services Specialist I/II Realignment (Unit 1)

Upon ratification of this contract, the State shall institute the following actions with regard to the following two classifications:

Personnel Services Specialist I #1301

Personnel Services Specialist II #1774

A. Issue allocation guidance to departments permitting reallocation of Personnel Services Specialist (PSS) I to PSS II, when sufficient complexity exists.

B. Within six months of contract ratification, develop a workload formula based on measurable factors impacting the complexity of work assigned the PSS series.

C. Departments will consider administrative alternatives prior to mandatory overtime.

D. Establish a Joint Labor/Management "Task Force" to define the level and amount of

work, and to establish a relationship with Unit 1 classifications. Employees serving in this capacity shall serve without loss of compensation.

ARTICLE 12 - ALLOWANCES AND REIMBURSEMENTS

Central and Western Los Angeles is the territory bordered by Sunset Boulevard on the north, the Pacific Ocean on the west, Imperial Blvd/ Freeway 105 on the South and Freeways 110, 10, and 101 on the east. This area includes downtown L.A., Inglewood, L.A. Reimbursement of lodging expenses in excess of specified amounts, excluding taxes requires advance written approval from the Department of Personnel Administration. The Department of Personnel Administration may delegate approval authority to departmental appointing powers or increase the lodging maximum rate for the geographical area and period of time deemed necessary to meet the needs of the State. An employee may not claim lodging, meal, or incidental expenses within 50 miles of his/ her home or headquarters.

C. Long-term Travel: Actual expenses for long term meals and receipted lodging will be reimbursed when the employee incurs expenses in one location comparable to those arising from the use of establishments catering to the long-term visitor.

Those staying overnight shall not receive any additional per diem regardless of the Saturday departure time. An employee returning to the temporary residence on Sunday will receive full per diem. This does not change Department Of Personnel Administration policy regarding the per diem clock which starts at the beginning of

the work shift on Monday. If the normal workweek is other than as stated above, the same principle applies.

The following clarifies Department Of Personnel Administration policy regarding an employee leaving the LTA location on personal business:

The reference to leaving the LTA location for personal business and not claiming per diem or transportation expenses assumes that the employee stays overnight at a location other than the long-term accommodations.

D. Out-of-State Travel: For short-term out-of-State travel, State employees will be reimbursed actual lodging, supported by a receipt, and will be reimbursed for actual meal and incidental expenses in accordance with above. Long-term Out of Country travel will be reimbursed in accordance with the provisions of Long-term travel above, or as determined by the Department of Personnel Administration.

Subsistence shall be paid in accordance with procedures prescribed by the Department of Personnel Administration. It is the responsibility of the individual employee to maintain receipts for their actual meal expenses.

Exception to "whichever is less:" If the employee begins travel one hour or more before he normally leaves his home, or on a regularly scheduled day off, mileage may be computed from his/her residence.

G. Receipts: Receipts or vouchers shall be submitted for every item of expense of \$25 or more. In addition, receipts are required for every item of transportation and business expense incurred as a result of conducting State business except for actual expenses as follows:

1. Railroad and bus fares of less than \$25 when travel is wholly within the State of California.

2. Street car, ferry fares, bridge and road tolls, local rapid transit system, taxi, shuttle or hotel bus fares, and parking fees of \$10.00 or less for each continuous period of parking or each separate transportation expense noted in this item.

3. Telephone, telegraph, tax, or other business charges related to State business of \$5.00 or less.

4. In the absence of a receipt, reimbursement will be limited to the nonreceipted amount above.

5. Reimbursement will be claimed only for the actual and necessary expenses noted above. Regardless of the above exceptions, the approving officer may require additional certification and/or explanation in order to determine that an expense was actually and reasonably incurred. In the absence of a satisfactory explanation, the expense shall not be allowed.

12.2 Moving and Relocation Expenses

Whenever an employee is reasonably required by the State to change his or her place of residence, the State shall reimburse the employee for approved items in accordance with the lodging, meal, and incidental rates and time frames established in Section 12.1, and in accordance with existing requirements, time frames and administrative rules and regulations for reimbursement of relocation expenses that apply to excluded employees.

Congested urban areas are areas such as Sacramento, San Francisco Bay, Fresno, Los Angeles, San Bernardino, Riverside, and San Diego areas. Every effort shall be made to provide employees 60 days but no less than 30 days notice of a parking rate increase. The State shall not increase rates for existing parking lots where employees do not currently pay parking fees. Rates at new lots administered by the State will be set at a level comparable to rates charged for similar lots in the area of the new lot, e.g., rates for open lots shall be compared to rates for open lots, rates for covered parking shall be compared to rates for covered parking.

B. By April 1, 2000, the State shall develop a system for employees where parking fees may be paid with pretax dollars.

12.4 Commute Program

A. Employees working in areas served by mass transit, including rail, bus, or other commercial transportation licensed for public conveyance shall be eligible for a 75 percent discount on public transit passes sold by State agencies up to a maximum of \$65 per month. This shall not be considered compensation for purpose of retirement contributions. The State may establish and implement procedures and eligibility criteria for the administration of this benefit.

B. The State shall provide \$100 per month to each State employee who meets the eligibility criteria and complies with program procedures as developed by the State for principal vanpool drivers. This shall not be considered compensation for purposes of retirement contributions. The State may establish and implement procedures and eligibility criteria for the administration of this benefit.

C. Employees headquartered out of State shall receive reimbursement for public transportation expenses for 75 percent of the cost up to a maximum of \$65 per month. The appointing power may establish and implement procedures regarding the certification of expenses required of the employees.

B. Notwithstanding any other provision of this Contract, the Union agrees that the State may implement new policies or change existing ones in areas such as transit subsidies, vanpool/carpool incentives, walking/biking incentives, parking, parking fees, hours of work and other actions to meet the goals of transportation incentives. The State agrees to notice and meet and confer regarding the impact of such new or changed policies.

C. The State shall entertain recommendations from the Union and meet if requested on ways to encourage the use of alternative forms of transportation.

All classification proposals for which the Union has been notified under the current Contract language, shall continue under the existing process.

B. Both parties agree to meet by July 1, 2000, to discuss and evaluate the pilot process. If both parties agree that the trial process is successful, the pilot process will continue through the term of this contract. If either party disagrees, the trial process will be discontinued and the classification change process reverts to language in the contract for the respective bargaining units from July 1, 1992 through June 30, 1995.

C. When the Department of Personnel Administration or a department proposes establishment of a new class or modification of an existing one, the Department of Personnel Administration or a department shall inform the Union in writing of the proposal. The Union may request to meet and confer with the Department of Personnel Administration and the department regarding the classification proposal within 15 calendar days of the receipt of the notice. Such meeting(s) shall be for the purpose of negotiating the classification and compensation proposal.

D. The first meeting shall take place within 20 calendar days of the Union's request.

E. If the parties reach an agreement, the classification proposal shall be placed on the State Personnel Board's (SPB) non-hearing calendar.

F. If the parties do not reach an agreement within 30 calendar days of the date of their first meeting, the classification proposal shall be submitted to the State Personnel Board for hearing.

G. The Department of Personnel Administration shall meet and confer, if requested in writing, within 5 working days from the date the State Personnel Board approved the classification change, regarding any compensation or non-merit provisions of the classification that remain unresolved.

H. If there is still no agreement within 30 days of the State Personnel Board hearing, the parties will go to mediation in accordance with the provisions of the Ralph C. Dills Act.

I. Neither the classification nor the compensation provisions shall be subject to the grievance and arbitration procedure in Article 6.

J. Within 30 days of ratification of this Contract, the union shall provide to the State a list of classification changes that were noticed under the prior process but which were not the subject of a meet and confer between the State and the Union. The Union may process such changes pursuant to this pilot project, if so requested, within 30 days of providing the list to the State.

14.2 Out-of-Classification Grievances and Position Allocation Hearing Process

A. Definitions

1. An employee is working "out-of-class" when she/he spends a majority (i.e., more than 50 percent) of his/her time over the course of at least two (2) consecutive work weeks performing duties and responsibilities associated with a higher level existing classification that do not overlap with the classification in which said employee holds an appointment.

Duties that are appropriately assigned to incumbents in the employee's current classification are not out of class. Duties appropriately assigned are based on the definition and typical tasks enumerated in the California State Personnel Board specification.

Training and Development assignments are not out-of-class work.

2. For purposes of this article, a classification is at a "higher level" if the maximum salary of the highest salary range (excluding alternate range criteria other than deep class criteria) is any amount more than the maximum salary of the highest range of the class in which the employee holds an appointment.

3. When an employee is performing the duties of a vacant position properly assigned to a higher class or the duties of an absent employee whose position is properly assigned to a higher classification, the employee shall be considered to be working out

of class.

B. Authorization and Rate of Pay

1. Notwithstanding Government Code Sections 905.2, 19818.8, and 19818.16, an employee may be temporarily required to perform out-of-class work by his/her department for up to 120 calendar days in any 12 consecutive calendar months when it determines that such an assignment:

- a. Is of unusual urgency, nature, volume, location, duration, or other special characteristics; and,
- b. Cannot feasibly be met through use of other civil service or administrative alternatives.

2. Departments may not use out-of-class assignments to avoid giving civil service examinations or to avoid using existing eligibility lists created as the result of a civil service examination.

3. When an employee is assigned out-of-class work, s/he shall receive the rate of pay s/he would have received pursuant to Title 2, California Code of Regulations, Sections 599.673, 599.674, or 599.676 if appointed to the higher classification.

4. Out-of-class work may be discontinued by departments at any time; however, departments may not rotate employees in and out of out-of-class assignments to avoid payment of out-of-class compensation.

5. Out-of-class pay shall not be considered as part of the employee's base pay when computing the rate due upon promotion to a higher level.

C. Out-of-Class Grievances and Allocation Appeals

1. The grievance and arbitration procedure described in Subsection (D) below shall be the exclusive means by which alleged out-of-class assignments shall be remedied, including requests for review by the Department of Personnel Administration referenced in Government Code Section 19818.16 or the State Board of Control.

2. The grievance and arbitration procedure described in this section shall be the exclusive means for appealing position allocation or reallocation referenced in Government Code Sections 19818.6 and 19818.20.

3. Employees may not separately file out-of-class grievances and position allocation or reallocation grievances pertaining to the same duties and responsibilities.

4. The only remedy that shall be available (whether claiming out-of-class work or position misallocation) is retroactive pay for out-of-class work. Said pay shall be limited to out-of-class work performed (a) during the one (1) year calendar period before the employee's grievance was filed; and (b) the time between when the grievance was filed and finally decided by an arbitrator.

5. Arbitrators shall not have the authority to order reclassification (reallocation) of a grievant's position or discontinuance of out-of-class work assignments.

D. Grievance Procedure and Time Limits

1. An employee's grievance initially shall be discussed with the employee's supervisor.

2. An employee must file a written grievance on a form provided by the State within 120 calendar days of the date when his/her duties allegedly changed such that she/he was working out-of-classification or his/her position became misallocated.

3. Out-of-class and misallocation grievances shall be filed with a designated supervisor or manager identified by each department head as the third level of appeal in the usual grievance procedure found in Article 6.

4. The person designated by the department head as the third level of appeal shall respond to the grievance in writing within 45 calendar days after receipt of the grievance.

5. If the grievant is not satisfied with the decision rendered by the person designated by the department head at the third level of appeal, she/he may appeal the decision in writing within 21 calendar days after receipt to the Director of the Department of Personnel Administration.

6. The Director of the Department of Personnel Administration or designee shall respond to the grievance in writing within 60 calendar days after receipt of the appealed grievance.

7. If the grievance is not resolved by the Department of Personnel Administration, the Union shall have the right to submit the grievance to arbitration in accordance with Article 6, Section 6.12.

8. Article 6, Section 6.12, "Formal Grievance - Step 5" shall apply to out-of-class and

misallocation grievances except as otherwise provided in this Section.

E. The arbitrator's decision regarding out-of-class and misallocation grievances shall be final and binding on the parties. Said awards shall not be subject to challenge or review in any forum, administrative or judicial, except as provided in Code of Civil Procedure Section 1286.2 et seq.

F. The parties agree to support legislation to amend Government Code Section 19818.8 as follows. Said legislation must be enacted into law before the provisions of this Section take effect.

1. Government Code Section 19818.8 (a) A person shall not be assigned to perform the duties of any class other than that to which his or her position is allocated, except as permitted by Section 19050.8.

2. If the provisions of this Section are in conflict with the provisions of a memorandum of understanding reached pursuant to Section 3517.5, the memorandum of understanding shall be controlling without further legislative action, except that if those provisions of the memorandum of understanding require the expenditure of funds, the provisions shall not become effective unless approved by the Legislature in the annual Budget Act.

14.3 Classification/Pay Data

Upon request, the State shall, on an annual basis, provide the Union with a list of classifications and salaries for Units 1, 3, 4 and 11 rank-and-file employees.

14.4 Duty Statements

An employee, upon request, shall be provided a duty statement for their position.

14.5 Automation and New Technology

The State shall endeavor to notify the Union 180 days, but not less than 60 days, prior to implementation of automation or technological changes that will result in a significant impact on bargaining unit employees. Upon request of the Union within 30 days of such notification, the State shall negotiate with the Union on the impact of such changes.

ARTICLE 15 – EMPLOYEE TRANSFERS

15.1 Appeal of Involuntary Transfers

A. An involuntary transfer which reasonably requires an employee to change his/her residence may be grieved under Article 6 only if the employee believes it was made for the purpose of harassing or disciplining the employee. If the appointing authority or the Department of Personnel Administration disapproves the transfer, the employee shall be returned to his or her former position; shall be paid the regular travel allowance for the period of time he/she was away from his/her original headquarters; and his/her moving costs both from and back to the original headquarters shall be paid in accordance with the Department of Personnel Administration laws and rules.

B. An appeal of an involuntary transfer which does not reasonably require an employee to change his/her residence shall not be subject to the grievance and arbitration procedure. It shall be subject to the complaint procedure if the employee believes it was made for the purpose of harassing or disciplining the employee.

15.2 Employee Opportunity Transfer (Unit 3)

A. The parties recognize that when the State deems it necessary to fill a vacant position, the needs of the State must be given first priority. The needs of the State include the right to fill vacant positions using existing eligible or promotional lists, involuntary transfers, reassignments, or other selection methods for reasons such as affirmative action, special skills, abilities, or aptitudes.

B. The parties also recognize the desirability of permitting a permanent employee to transfer within his/her department and classification to another location which the employee deems to be more desirable. To this end, permanent full-time employees may apply for an Employee Opportunity Transfer to a position at another location within his/her department in accordance with the following procedure:

1. Employees desiring an Employee Opportunity Transfer shall apply in writing to his/her department head or designee in a manner prescribed by the department. Such transfer requests shall be to permanent positions in the same department within his/her current classification.

C. Whenever a department head or designee elects to fill a vacancy through an Employee Opportunity Transfer, a permanent full-time employee who already has an Employee Opportunity Transfer application to that location on file with the department shall be selected. If there is more than one employee with an Employee Opportunity Transfer application to the same location on file, one of the top three (3) employees with the greatest amount of

department service by class shall be selected. When an employee is formally interviewed, the department head or designee will notify the employee of the nonselection.

- D. Permanent employees who wish to submit Employee Opportunity Transfer applications may do so during a 30-calendar day open period, to be scheduled once every six (6) months by each department. No employee shall submit more than four (4) Employee Opportunity Transfer applications during an open period.

ARTICLE 16 - LAYOFF

16.1 Layoff and Reemployment

(Excluding Unit 3 Employees in the Special Schools of Department of Education)

A. Application. Whenever it is necessary because of a lack of work or funds, or whenever it is advisable in the interest of economy to reduce the number of permanent and/or probationary employees (hereinafter known as "Employees") in any State agency, the State may layoff employees pursuant to this Section.

B. Order of Layoff. Employees shall be laid off in order of seniority pursuant to Government Code Sections 19997.2 through 19997.7 and applicable State Personnel Board and Department of Personnel Administration Rules.

C. Notice. Employees compensated on a monthly basis shall be notified thirty (30) calendar days in advance of the effective date of layoff. Where notices are mailed, the thirty (30) calendar day time period will begin to run on the date of the mailing of the notice. The State agrees to notify the Union no later than sixty (60) calendar days prior to the actual date of layoff. The notice to the Union shall also include the reason for the layoff, the area of the layoff, the anticipated classifications affected, the total number of employees in each affected classification, the estimated number of surplus employees in each classification and the proposed effective date of the layoff.

D. Grievance and Arbitration. Any dispute regarding the interpretation or application of any portion of this layoff provision shall be resolved solely through the grievance and arbitration procedure.

E. Transfer or Demotion in Lieu of Layoff. The State may offer affected employees a transfer or a demotion in lieu of layoff pursuant to Government Code Sections 19997.8 through 19997.10 and applicable Department of Personnel Administration rules. If an employee refuses a transfer or demotion, the employee shall be laid off.

F. Reemployment. In accordance with Government Code Sections 19997.11 and 19997.12, the State shall establish a reemployment list by class for all employees who are laid off. Such lists shall take precedence over all other types of employment lists for the classes in which employees were laid off. Employees shall be certified from department or subdivisional reemployment lists in accordance with Section 19056 of the Government Code.

G. State Service Credit for Layoff Purposes. In determining seniority scores, one point shall be allowed for each qualifying monthly pay period of full-time State service regardless of when such service occurred. A pay period in which a full time employee works 11 or more days will be considered a qualifying pay period except that when an absence from State service resulting from a temporary or permanent separation for more than 11 consecutive working days falls into two (2) consecutive qualifying pay periods, the second pay period shall be disqualified. Veterans will receive additional credits in accordance with Government Code Section 19997.6.

H. Departmental Vacancies. Departments filling vacancies shall offer positions to employees facing layoff, demotion in lieu of layoff or geographic transfer in accordance with current State Restriction of Appointment procedures.

16.2 Reducing the Adverse Effects of Layoff

Whenever the State determines it necessary to layoff employees, the State and the Union shall meet in good faith to explore alternatives to laying off employees such as, but not limited to, voluntary reduced work time, retraining, early retirement, and unpaid leaves of absence.

16.3 Alternative to Layoff

The State may propose to reduce the number of hours an employee works as an alternative to layoff. Prior to the implementation of this alternative to a layoff, the State will notify and meet and confer with the Union to seek concurrence of the usage of this alternative.

16.4 Military Installations

The State agrees to notify the Union at such time as the State becomes aware of federal government plans to regain jurisdiction of military installations currently loaned (or leased) to the State Department of the Military.

16.5 Layoff Employee Assistance Program

Employees laid off shall be provided services in accordance with the Employee Assistance Program. Such services are term limited for six (6) months from the actual date of layoff.

ARTICLE 17 - RETIREMENT

17.1 First Tier Retirement Formula (2% @ 55)

A. The Union and the State (parties) agree that the legislation implementing this contract shall contain language to enhance the current age benefit factors on which service retirement benefits are based for Miscellaneous and Industrial members of the First Tier plan under the Public Employees' Retirement System (CalPERS). The parties further agree that the provisions of this article will be effective only upon the CalPERS board adopting a resolution that will employ, for the June 30, 1998 valuation and thereafter, 95 percent of the market value of CalPERS' assets as the actuarial value of the assets, and to amortize the June 30, 1998 excess assets over a 20 year period, beginning July 1, 1999. The parties agree to jointly request the CalPERS board to extend the 20 year amortization period in the event the cost of these benefits or unfavorable returns on investments results in an increased employer contribution by the State.

B. The legislative language would provide the enhanced benefit factors to State employees who retire directly from State employment on and after January 1, 2000.

C. The table below compares the current First Tier age benefit factors to the improved factors that the proposed legislation would place in the part of the Government Code administered by CalPERS.

AGE AT RETIREMENT	1999 FACTORS	2000 FACTORS
50	1.092	1.100
51	1.156	1.280
52	1.224	1.460
53	1.296	1.640
54	1.376	1.820
55	1.460	2.000
56	1.552	2.063
57	1.650	2.125
58	1.758	2.188
59	1.874	2.250
60	2.000	2.313
61	2.134	2.375
62	2.272	2.438
63 and over	2.418	2.500

D. There would be factors for attained quarter ages, such as $52\frac{3}{4}$, that will be included in the proposed legislation. These improved age benefit factors will apply for service rendered on and after the effective date of the memorandum of understanding between the State and the Union. The improved factors will also apply to past service that is credited under the First Tier and the Modified First Tier.

E. The amount of member contributions required of employees who will be covered under these new factors will continue to be 5 percent of monthly compensation in excess of \$513.

17.2 Second-Tier Retirement Plan

The Union and the State agree to participate in the second-tier retirement plan as prescribed by law.

17.3 First Tier Eligibility For Employees In Second Tier

A. The Union and the State (parties) agree that the legislation implementing this contract shall contain language to allow employees who are currently in the Second Tier retirement plan to elect to be covered under the First Tier, as described in this article. The parties further agree that the provisions of this article will be effective only upon the CalPERS board adopting a resolution that will employ, for the June 30, 1998 valuation and thereafter, 95 percent of the market value of CalPERS' assets as the actuarial value of the assets, and to amortize the June 30, 1998 excess assets over a 20 year period beginning July 1, 1999. The parties agree to jointly request the CalPERS board to extend the 20 year amortization period in the event the cost of these benefits or unfavorable returns on investments results in an increased employer contribution by the State.

B. The legislative language would allow an employee in the Second Tier to exercise the Tier 1 right of election at any time after the effective date of this legislation. An employee who makes this election would then be eligible to purchase past Second Tier service. The

parties will work with CalPERS to establish more flexible purchase provisions for employees. These include, but are not limited to, increasing the installment period from 96 months (8 years) to 144 months (12 years) or up to 180 months (15 years), and allowing employees to purchase partial amounts of service.

C. New employees who meet the criteria for CalPERS membership would be enrolled in the First Tier plan and have the right to be covered under the Second Tier plan within 180 days of the date of their appointment. If a new employee does not make an election for Second Tier coverage during this period, he or she would remain in the First Tier plan.

D. Employees who purchase their past service would be required to pay the amount of contributions they would have paid had they been First Tier members during the period of service that they are purchasing. As required by CalPERS law, the amount will then include interest at 6 percent annually compounded.

17.4 2.5% @ 55 Retirement Formula for Safety Members

A. The Union and the State (parties) agree that the legislation implementing this contract shall contain language adding new age benefit factors on which service retirement benefits are based for employees of this unit who are safety members of the Public Employees' Retirement System (CalPERS). The parties further agree that the provisions of this article will be effective only upon the CalPERS board adopting a resolution that will employ, for the June 30, 1998 valuation and thereafter, 95 percent of the market value of the CalPERS' assets as the actuarial value of the assets, and to amortize the June 30 excess assets over a 20 year period, beginning July 1, 1999. The parties agree to jointly request the CalPERS board to extend the 20 year amortization period in the event the cost of these benefits or unfavorable returns on investments results in an increased employer contribution by the State.

The parties agree to support legislation that will improve the age benefit factors from age 50 to 55 for Safety members. The age benefit factor at age 55 for members of this Union will be 2.5 percent of compensation for each year of service. These improved benefit factors will apply to employees who retire directly from State service on and after January 1, 2000, and for service rendered as a Safety member prior to and after that date.

AGE	BENEFIT FACTORS
50	1.70
51	1.80
52	1.90
53	2.00
54	2.25
55	2.50

There would be factors for attained quarter ages, such as $52\frac{3}{4}$, that will be included in the proposed legislation.

B. The Union agrees that the rate of contribution for Safety members who are subject to the new 2.5 percent @ 55 formula shall be no greater than 8 percent of monthly compensation in excess of \$238, effective on and after July 1, 2001.

17.5 Employer-Paid Employee Retirement Contributions

The State and the Union agree to continue the January 28, 1985, agreement regarding the Internal Revenue Service ruling permitting CalPERS contributions to be excluded from taxable salary for the duration of this Contract.

17.6 Alternative Pre-Retirement Death Benefit

The Union agrees to support legislation that would provide State employees with an improved "alternative pre-retirement death benefit" and for the ability for the surviving spouse and dependent children to continue to receive health and dental benefits coverage. The enhanced death benefits would also be payable to surviving spouses or dependent children who are currently receiving the former death benefit, as would health and dental coverage.

A. Section 21547 of the Government Code is amended, to read:

21547. 19.1 Hours of Work

A. Unless otherwise specified herein, the regular workweek of full-time employees shall be forty (40) hours Monday through Friday, and the regular work shift shall be eight (8) hours.

B. Workweeks and work shifts of different numbers of hours may be established by the employer in order to meet varying needs of the State agencies.

C. Employees' workweeks and/or work shifts shall not be permanently changed by the State without adequate prior notice. The State shall endeavor to give thirty (30) calendar days but in no case less than fifteen (15) calendar days notice.

D. The State shall endeavor to provide employees with at least five (5) working days advance notice of a temporary change in their workweek hours and workday. This ad-

vance notice is not required if:

1. The change is due to an unforeseen operational need;
2. The change is made at the request of the employee.

E. Classifications are assigned to the workweek groups as shown in the Lists of Classifications attached to this Contract.

F. Workweek group policy for FLSA - Exempt/Excluded Employees

State employees who are exempt/excluded from the FLSA are not hourly workers. The compensation they receive from the State is based on the premise that they are expected to work as many hours as is necessary to provide the public services for which they were hired. Consistent with the professional status of these employees, they are accountable for their work product, and for meeting the objectives of the agency for which they work.

Following is the State's policy for all employees exempt/excluded from the FLSA:

1. Management determines, consistent with the current Contract the products, services, and standards which must be met by FLSA - exempt/excluded employees;
2. The salary paid to FLSA - exempt/excluded employees is full compensation for all hours worked in providing the product or service;
3. FLSA - exempt/excluded employees are not authorized to receive any form of overtime compensation, whether formal or informal;
4. FLSA - exempt/excluded employees are expected to work within reason as many hours as necessary to accomplish their assignments or fulfill their responsibilities and must respond to directions from management to complete work assignments by specific deadlines. FLSA exempt/excluded employees may be required to work specific hours to provide services when deemed necessary by management;
5. FLSA - exempt/excluded employees shall not be charged paid leave or docked for absences in less than whole-day increments. Less than full-time employees shall be charged time proportionate to their scheduled hours of work. Record keeping for accounting, reimbursements, or documentation relative to other applicable statutes, such as the Family Medical Leave Act, is permitted.

For Unit 3 employees: partial day absences for medical appointments should be schedule during non-student contact time unless otherwise authorized by management;

6. FLSA - exempt/excluded employees shall not be suspended for less than five days when facing discipline;
7. With the approval of the appointing power, FLSA - exempt/excluded employees may be allowed absences with pay for one or more whole days due to excessive work load or other special circumstances without charging leave credits;
8. Subject to prior notification and management concurrence, FLSA exempt/excluded employees may alter their work hours. Employees are responsible for keeping management apprised of their schedule and whereabouts. Prior approval from management for the use of formal leave (e.g., vacation, sick leave, personal leave, personal day) for absences of an entire day or more is required.

19.2 Overtime

A. Overtime is all ordered work time in excess of the regularly scheduled workweek.

B. Overtime is earned at the rate of one and one-half times the hourly rate for all hours worked in excess of 40 hours in a regular workweek and is compensable by cash or CTO if it meets the following criteria:

1. Ordered overtime of at least 15 minutes at any one time;
2. Overtime will be credited on a 15 minute basis with a full 15 minute credit to be granted if seven (7) minutes is worked. Smaller fractional units will not be accumulated.

C. Overtime may be compensated on a cash or CTO basis at the discretion of the department head or designee. Both parties agree and understand that a different type of overtime payment (cash or CTO) may be provided to employees at different times and may even be different for employees in the same or similar situations.

D. In order to be compensable by cash or CTO, overtime must be authorized in advance, except in an emergency, by the State or its designated representative. This authorization must also be confirmed in writing not later than 10 days after the end of the pay period during which the overtime was worked. Each State agency shall maintain complete and accurate records of all compensable overtime worked by its employees.

E. The time when CTO may be taken shall be at the discretion of the State. When CTO is ordered, reasonable advance notice (at least 24 hours) should be provided to the employee.

F. CTO may be taken only in units of time of 15 minutes or multiples thereof.

G. CTO for employees shall be earned on a time and one-half (1/2) basis and may be authorized in lieu of cash compensation. If an employee is not allowed CTO within twelve (12) pay periods following the pay period in which the overtime was worked, payment shall be made for such overtime on the next payroll.

H. Employees may accrue up to 240 hours of CTO. The first 200 hours of CTO shall be at the option of the department head or designee. The next 40 hours of CTO shall be at the option of the employee. All hours in excess of 240 CTO hours shall be compensated in cash.

I. Normally, an employee who has an accumulation of 240 hours or 30 days of authorized overtime shall not be required to work additional overtime.

J. Notwithstanding any other contract provision, departmental policy, or practice, the travel time of employees who are covered by FLSA shall only be considered as time worked if it meets the definitions and requirements of travel time in Sections 785.34 through 785.41 of Title 29 of the Code of Federal Regulations.

19.3 Rest Periods

A. An employee may be granted a rest period on State time not to exceed fifteen (15) minutes each four (4) hours of his/her work shift not to exceed thirty (30) minutes each work-day. A rest period will not normally be granted during the first or last hour of the work shift. An employee shall be permitted to leave his/her work area during the rest period. Employees in 24-hour institutions, hospitals, State Special Schools, or Developmental Centers may be required to notify their supervisors before leaving their work area and inform them of their location for the rest period.

B. An additional 5 minute break per continuous hour of work on a computer shall be granted to an employee in an hour when no other break or rest period has been granted. Upon the Union's request, the State shall consider permitting other employees the additional rest periods.

C. Rest periods may not be accumulated nor may they be used to "make up" time.

D. Sections A, B and C of this Article shall not apply to Unit 3 employees with student, ward, inmate, client or patient instructional and supervision responsibilities; however, management recognizes that these Unit 3 employees have limited opportunity to take care of their personal hygiene needs during instructional and supervision time. It is the intent of management, working with the Union to find mutually satisfactory solutions to this problem, consistent with programmatic, operational, safety and security needs, within 90 days of the State and the Union's ratification of this agreement.

E. Normally, Unit 3 employees with instructional and supervision assignments are expected to use other than scheduled instruction and supervision time for personal hygiene needs; however, the State shall endeavor to provide for supervision of assigned students, wards, inmates, clients or patients for short periods of time in the event of an employee's personal hygiene need.

F. Upon the request of the Union, the health and safety committee at a facility shall review and recommend changes to the procedure consistent with safety, security, programmatic and operational needs for providing Unit 3 employees the opportunity to take care of their personal hygiene needs. If a health and safety committee does not exist at a facility, upon the request of the Union, management shall meet with the Union to review and recommend changes to the procedure consistent with safety, security, programmatic and operational needs for providing Unit 3 employees the opportunity to take care of their personal hygiene needs. Any agreements between the parties shall be reduced to writing.

19.4 Meal Periods

A. Except for employees who are assigned to a straight 8 hour shift, full-time employees shall normally be allowed a meal period of not less than 30 minutes or not more than 60 minutes which shall be scheduled near the middle of the work shift. Meal periods taken shall not be counted as part of total hours worked.

B. When employees assigned to a straight eight or more hour shift are assigned by the employer to training, a committee, task force, or a special project, an unpaid meal period of not less than 30 minutes nor more than 60 minutes shall be granted and scheduled near the middle of the work shift.

C. Employees working more than 5 hours per day, but less than 8 hours per day shall be entitled to a meal period of at least 30 minutes. Meal periods shall not be counted as part of total hours worked.

19.5 Set Up/Shut Down Time

Time necessary to "set up" and/or "shut down" a State function shall be part of the employee's workday.

19.6 Flexible Work Hours

A. Upon request by the Union or an employee, the State shall not unreasonably deny a request for flexible work hours, an alternate workweek schedule or reduced workweek schedule. Employees who have flexible work hours or are placed on an alternate workweek or reduced workweek schedule will comply with procedures established by the department.

B. Any denial of requests made under subsection (A) shall be provided in writing. In addition, a department head or designee may, upon 30 days notice to affected employees cancel or make permanent changes to flexible work hours, alternate work schedules, or reduced work time schedules.

C. An "alternate workweek schedule" is a fixed work schedule other than standard work hours. "Flexible work hours" allows for the change of work schedules on a daily basis. "Reduced work time" is defined in Government Code Sections 19996.20 through 19996.29.

19.7 Exchange of Time Off - Multi-Shift Operations

A. Permanent employees employed by departments with multiple shift operations may be permitted to exchange hours of work with other employees in the same classification or level (determined by the supervisor), performing the same type of duties in the same work areas, provided:

1. The employees make a written request to their supervisor(s) at least 24 hours prior to the exchange;
2. The supervisor(s) approve the exchange; and
3. The employees exchanging time off shall not be entitled to any additional compensation (e.g., overtime or overtime meals, holiday credit/pay, shift differential), which they would not have otherwise received.

B. Each employee shall be responsible for the coverage of the work assignment he/she accepts. If the employee who exchanges with another employee fails to report for duty for the exchange, he/she shall be subject to repaying the actual time (hour-for-hour) of filling in behind the assignment; however, in the event the employee fails to report for duty because of illness or injury, he/she may be required to provide medical verification in accordance with Section 8.2 of this contract.

C. An employee who fails to report for duty for the exchange and has not provided a medical verification of illness as described, shall not be allowed to participate in an exchange for 180 calendar days from the date of the missed exchange.

D. All exchanges must occur during the same work week.

E. Probationary employees are excluded from participating in exchanges of time off.

F. No exchange shall result in an employee working double shifts.

G. This section is not subject to the grievance and arbitration procedure of this contract.

19.8 Work In Multiple Time Zones

When traveling into a different time zone, the first day's time is computed using the time zone in which the employee started. The time worked on subsequent days is computed by using the time zone in which the employee is working. The time worked on the return trip is computed using the time zone from which the employee departed.

19.9 Call Back Time

A. An employee who has completed a normal work shift, when ordered back to work, shall be credited with a minimum of four (4) hours work time provided the call back to work is without having been notified prior to completion of the work shift, or the notification is prior to completion of the work shift and the work begins more than three (3) hours after the completion of that work shift.

B. When such an employee is called back under these conditions within 4 hours of the beginning of a previous call or an additional call is received while still working on an earlier call back, the employee shall not receive an additional 4 hours credit for the new call back.

C. When such an employee is called back within four (4) hours of the beginning of the employee's next shift, call back credit shall be received only for the hours remaining before the beginning of the employee's next shift.

D. When staff meetings, training sessions, or work assignments are scheduled on an employee's authorized day off, the employee shall be credited with a minimum of 4 hours of work time. When staff meetings and training sessions are scheduled on an employee's

normal workday and outside the employee's normal work shift, overtime compensation shall be received in accordance with the rules governing overtime.

E. For reporting purposes, compensable time begins when the employee reports to the jobsite or begins work from a site approved by the department head or designee.

19.10 Standby Time

A. "Standby" is defined as the express and absolute requirement that an employee be available during specified off-duty hours to receive communication regarding a requirement to return to work and be fit and able to return to work, if required. It shall not be considered standby when employees are contacted or required to return to work but have not been required to be available for receipt of such contact.

B. Each department or designee may establish procedures with regard to how contact is to be made (e.g., electronic paging device, phone) and with regard to response time while on standby.

C. An employee who is required to be on standby status will be compensated in the following manner: for every eight (8) hours on standby, an employee shall receive two (2) hours of compensating time off (CTO).

D. No standby credit will be earned if the employee is called back to work and receives call back credit.

E. Standby and CTO credited as a result of standby shall not be considered time worked for purposes of qualifying for overtime.

19.11 Standby Duty – Department of Fish and Game (Unit 11)

A. Standby duty is defined as the time that an employee is required to remain on the Department of Fish and Game fish hatchery grounds during non-work hours for immediate response to duty or to emergencies that may arise.

B. Affected employees are those who are assigned to Work Week Group 2 who reside in State-owned housing at Department of Fish and Game hatcheries, and are required to perform standby duty at the fish hatcheries.

1. While on standby duty, employees shall receive standby compensation at the rate of two hours of compensating time off for fifteen (15) hours of standby duty. If an employee does not complete the 15 hours of standby duty, the Department of Fish and Game shall pro-rate the compensation earned in accordance with departmental procedure.

2. During any period of time an employee is assigned to standby duty, the compensating time off earned shall not be considered compensation for any and all hours worked. Where compensating time off is not practical, the appointing authority may authorize cash compensation. Required work in excess of the minimum work week is compensable as overtime in accordance with the basic workweek group that the particular class and position is allocated to, except for the time on standby duty.

3. Employees on sick leave status or an assigned day off shall not be required to work standby duty.

19.12 Double Backs – Department of Food and Agriculture (Unit 11)

A. Employees shall be given a minimum of twelve (12) hours off between scheduled shifts, unless it becomes necessary for them to return earlier because of unforeseen operational need or emergency.

The State and CSEA agree to continue the 12-hour rotating shift program for Bargaining Unit 11 employees at the John E. Skinner Fish Protective Facility consistent with the agreement reached by DFG and CSEA on February 2, 1999.

The committee shall be comprised of an equal number of union and management representatives. Membership on the committee is open to all union

bargaining units that want to participate. The Union shall have four (4) representatives. Those representatives who are State employees shall serve without loss of State compensation. The committee shall meet and report regularly and shall issue a report with recommendations for implementation of work and family programs by June 1, 2000. On July 1, 2000, the State employer will appropriate \$5,000,000 in funds to the Work and Family Fund which shall be administered by the Department of Personnel Administration. The amounts to be allocated and expended annually from the Work and Family Fund shall be determined by the Department and the State Labor/Management Work and Family Committee.

D. The union agrees to support legislation that would establish and maintain the Work and Family Fund.

A. Where operational considerations permit, a department may establish a telework program. If the telework arrangement conforms to telework criteria established in the department's telework policy and guidelines, no employee's request for telework shall be unreasonably denied. Such programs shall operate within the policies, procedures, and guidelines established by the Telework Advisory Group, as described in the Telecommuting Work Option: Information Guidelines and Model Policy, June 1992.

Items of discussions may include concerns of layoff as a result of a telecommuting/telework program, performance or productivity expectations or standard changes; access to necessary office space in the State work sites on nontelecommuting days; and equipment, supplies, phone lines, furniture, etc.

D. Telework is defined as performing work one or more days per pay period away from the work site to which the employee is normally assigned (e.g. "hoteling"). Such locations must be within a preapproved work space and during preapproved work hours inside the teleworker's residence, telework centers, or other offices of the State, as approved pursuant to the department's telework policy and guidelines. 2. The State reserves full discretion to dismiss an employee for a first positive drug or alcohol test or for refusing to test. Employees so dismissed, except those on probation, shall have an opportunity to stipulate to a last-chance agreement. This opportunity may not extend to cases in which the employee has a past adverse action history or in which the positive test or refusal to test occurs in conjunction with a serious offense which in itself would result in dismissal. Serious offenses include but are not limited to workplace violence, acts that result in personal injury, acts that result in significant property damage, etc.

Last-chance agreements shall include a provision which requires an employee's evaluation by a substance abuse professional as referenced in 49CFR382.605 and follow-up testing after returning to duty. Adverse actions or rejections on probation may be arbitrated only after the grievant signs an express waiver of all rights to appeal the action or rejection to the State Personnel Board. Grievants arbitrating a rejection on probation shall have the burden of going forward and the burden of proof.

G. Subject to any other laws, rules, or regulations as pertain thereto, not devoting his/her full time, attention, and efforts to his or her State office or employment during his/her hours of duty as a State officer or employee.

At the date of commencement of service under such reappointment, the transferee shall lose all rights toward tenure and shall have tenure in the school to which he/she transferred.

5. A pre-tenured employee's probationary period may be extended by the superintendent for at least an additional year when the pre-tenured employee is absent from work for a semester or more or when the pre-tenured employee is unable to obtain an appropriate special education credential within the three (3) year pre-tenure period.

The notice shall be in writing, signed by the superintendent of the school, and given in either of the following ways:

1. Mailed, by certified mail, return receipt requested, to the employee at his/her last known address as listed in the employee's official personnel file.

2. Delivered to the employee in person and his/her written receipt of the notice secured. If the employee refuses to sign the receipt of notice, an affidavit of service made by the person delivering the notice and filed with the superintendent of the school shall be deemed the equivalent of acknowledgment of receipt of notice. Notwithstanding any provision of this Section to the contrary, no person shall be deemed to be appointed or to have been awarded tenure because notice is not given or received by the time or in the manner prescribed in this Section. Should it occur that no notice is received by the times prescribed in this Section, it is the duty of the employee concerned to make inquiry to determine the ultimate decision of the school.

SIDE LETTER #1 - The Pay Plan

Units 1, 3, 4 and 11 hereby agree to support the following changes to Article 5 of the Department of Personnel Administration regulations if all bargaining units agree to the same.

599.666.2 THE PAY PLAN

As used in this article, terms are defined as follows:

1. "Salary range" is the range of rates between, and including, the minimum and maximum rate currently authorized for the class;
2. "Step" for employees compensated on a monthly basis is a 5 percent differential above or below a salary rate rounded to the nearest dollar and for employees compensated on a daily or hourly basis is a 5 percent differential above or below a rate rounded to the nearest dollar and cents amount. One-step higher is calculated by multiplying the rate by 1.05 (e.g., \$2,300 x 1.05 = \$2,415). One-step lower is calculated by dividing the rate by 1.05 (e.g., \$2,415 ÷ 1.05 = \$2,300);
3. "Rate" for employees compensated on a monthly basis is any one of the full dollar amounts found within the salary range and for employees compensated on a daily or hourly basis is any one of the dollar and cents amounts found within the salary range.
4. "Range differential" is the difference between the maximum rate of two salary ranges;
5. "Substantially the same salary range" is a salary range with the maximum salary rate less than two-steps higher than or the same as the maximum salary rate of another salary range.
6. "Higher salary range" is a salary range with the maximum salary rate at least two-steps higher than the maximum salary rate of another salary range;
7. "Lower salary range" is a salary range with the maximum salary rate any amount less than the maximum salary rate of another salary range.

Unless otherwise provided, the lowest salary range currently authorized for the class is used to make salary comparisons between classes except for deep classes. Any rate falling within the salary range for a class may be used to accomplish appropriate step differentials in movement between classes and salary ranges.

599.668.1 CORRECTION OF UNDERPAYMENT

The effective date of correction of any salary rate to which an employee is entitled under Sections 599.676, 599.676.1, 599.679, 599.679.1, 599.681, 599.681.1, 599.683, 599.683.1, 599.685, 599.685.1, 599.688, 599.688.1, 599.689, or 599.689.1 shall be as of the time earned except that it shall not be prior to three years from the date the corrective action was initiated.

599.673.1 ENTRANCE RATE

1. The minimum limit in the salary range for each class is the entrance rate except as otherwise provided in the act or in these rules. The appointing power may authorize a higher entrance rate upon finding that the higher rate is required because of labor market conditions or to hire a person with extraordinary qualifications. The appointing power shall document the reasons for the higher entrance rate, as specified by the Department of Personnel Administration.
2. When there is more than one salary range for a class, the Department of Personnel Administration shall provide criteria to determine:
 - a. The range to which a position shall be assigned or the range which an employee shall receive,
 - b. Which rate in the range shall be received upon movement between ranges in the class, and
 - c. The conditions under which movement may be made from one range to another.

599.674.1 RATE ON MOVEMENT BETWEEN CLASSES WITH SUBSTANTIALLY THE SAME SALARY RANGE

1. Such movement may be in the same or to another department and by transfer, appointment from an employment list, temporary appointment, or reinstatement other than mandatory.
2. Except as provided in Section 599.690 for trade rate classes the salary rate pay-

able to a permanent or probationary employee upon movement without a break in service between classes with substantially the same salary range shall be established as follows:

a. When moving to a class with the same salary range or a range not to exceed one-step higher at the maximum, the employee may, as recommended by the appointing power, receive any rate in the salary range not to exceed the total of the range differential between the maximum salary rates.

b. When moving, other than from a promotional employment list, to a class with a salary range more than one-step higher at the maximum, the employee may, as recommended by the appointing power, receive any rate in the salary range not to exceed one-step above the rate last received. When moving to this class by an appointment from a promotional employment list, the employee shall be entitled to the rate in the salary range one-step above the rate last received.

If the employee receives an increase, a new salary adjustment anniversary date is established subject to the provisions of Sections 599.682, 599.682.1, 599.683.1, and 599.685.1 otherwise the salary adjustment anniversary date is retained.

599.675.1 RATE ON MOVEMENT TO CLASS WITH LOWER SALARY RANGE

1. Such movement may be in the same or to another department and may be by appointment from an employment list, temporary appointment, voluntary demotion, disciplinary demotion, or reinstatement under Government Code Section 19140. The provisions of this section do not apply to demotion in lieu of layoff or demotion under Section 19253.5 after medical examination.

a. Except as provided in Section 599.690 for trade rate classes, a permanent or probationary employee who without a break in service moves to a class with a lower salary range may receive any rate in the salary range provided it does not exceed the rate the employee last received. The employee's salary adjustment anniversary date shall be as provided under Sections 599.682, 599.682.1, 599.683, 599.683.1, 599.685, and 599.685.1 unless the appointing power and employee agree designate a different date.

b. Upon appointment to a deep class and to prevent a loss of salary because of ineligibility for appointment to a higher alternate salary range, the employee may receive a plus adjustment in addition to his/her base salary rate to equal the rate the employee last received. If a salary range change occurs before the employee progresses to the higher alternate range, the employee shall be eligible for any related salary adjustments, as they may be specified by the Department of Personnel Administration under Section 599.688.1 or 599.689.1. Upon movement to the higher alternate salary range, the employee may move to the salary rate within the salary range that equals the combined rate of their base salary and the plus adjustment unless the provision of Section 599.681.1 provides a greater benefit.

599.676.1 RATE ON MOVEMENT TO CLASS WITH HIGHER SALARY RANGE

1. Such movement may be in the same or to another department and by appointment from an employment list, by temporary appointment, or by reinstatement.

2. Except as provided in Section 599.690 for trade rate classes, a permanent or probationary employee who, without a break in service, moves to another class with a higher salary range shall be entitled to the rate in the salary range one-step above the rate last received. If the movement is between two classes, one of which has an established rate of compensation other than a monthly rate, and the increase resulting from such adjustment amounts to less than one step in the salary range for a higher class, the employee shall be entitled to the next higher rate in the salary range which provides a one-step increase.

3. A new salary adjustment anniversary date is established subject to the provisions of Sections 599.682.1, 599.683.1, and 599.685.1.

599.677.1 RATE ON REAPPOINTMENT OR REINSTATEMENT

1. Upon the determination of the appointing power that it is in the best interest of the State, an employee who is reappointed or reinstated, is provided the following: Unless otherwise provided under 2. the employee shall receive the following:

a. As applicable, the employee shall receive the salary rate entitled to under Government Code Sections 19141, 19253.5, 19997.9, 19997.12, and 19775.6.

b. Following a temporary separation, the employee shall receive the salary rate received at the time of separation, adjusted for salary range changes for the class since the separation.

- c. In cases not covered a. or b., the employee may receive any rate in the salary range not to exceed the salary rate received at the time of separation, adjusted for salary range changes for the class since the separation.
2. The appointing power may authorize a higher salary rate than allowed in 1. because of labor market conditions, recognition of prior service or extraordinary qualifications. The appointing power shall document the reasons for the higher salary rate, as specified by the Department of Personnel Administration.
3. The salary adjustment anniversary date is established subject to the provisions of Sections 599.682, 599.682.1, 599.683, 599.683.1, 599.685, 599.685.1, 599.687, and 599.687.1.
4. The Department of Personnel Administration may establish guides to be used in the application of this rule.

599.678 RATE ON REAPPOINTMENT OR REINSTATEMENT AFTER TEMPORARY SEPARATION

1. Reentry into State service may be in the same or another department and by appointment from a reemployment employment list or reinstatement.
2. A person who is reappointed or reinstated within the period of reinstatement or reemployment list eligibility after temporary separation shall, if not entitled to a higher rate under Sections 19141, 19253.5, 19997.9, 19997.12, and 19775.6, of the act, receive a salary rate as follows:
 - a. To the same class, the salary rate received at the time of separation adjusted for the salary range changes for the class since the separation.
 - b. To another class with substantially the same salary range as the class from which separated, the salary rate may either the same salary rate the employee would receive if appointed to such former class or the rate in salary range which does not exceed the total number of range differentials above or below the rate the employee would receive if appointed to such former class.
 - c. To a different class which has a lower salary range than the class from which separated, a salary rate not to exceed the salary rate last received in the class from which separated, adjusted for the salary range changes of the latter class since separation.
 - d. This Department of Personnel Administration Regulation does not apply to State employees in State Bargaining Units.

599.679.1 RETENTION OF SALARY ABOVE THE MAXIMUM UPON MOVEMENT BETWEEN CLASSES

1. Upon movement without a break in service to a class with a higher salary range, an employee receiving salary above the maximum shall be entitled to a promotional adjustment as provided by these regulations unless such rate exceeds the maximum of the new class. In this event, the employee shall be entitled to the same rate as was received in the class the employee left until such time as the maximum of the new class equals or exceeds this rate.
2. Upon movement without a break in service to a class with a salary range that is two steps or more lower, an employee shall be entitled to the same dollar differential above the step to which entitled in the lower class as received in the higher class, until such time as the maximum of the new class equals or exceeds this rate. Such movement may be in the same or to another department and may be by appointment from an employment list, temporary appointment, voluntary demotion, disciplinary demotion, or reinstatement under Government Code Section 19140.
3. Upon movement without a break in service to a class with substantially the same salary range not covered by (a) or (b), an employee shall be entitled to the same rate received in the class left until such time as the maximum of the new class equals or exceeds this rate. Such movement may be in the same or to another department and by transfer and may be by appointment from an employment list, temporary appointment, voluntary demotion, or reinstatement under Government Code Section 19140.

599.681.1 MOVEMENT BETWEEN ALTERNATE RANGES

1. Unless otherwise authorized by alternate range criteria, when an employee qualifies under established criteria and moves from one alternate salary range to another alternate salary range of a class, the following shall apply.
 - a. Upon meeting deep class criteria, the employee shall receive the rate in the new salary range one-step above the rate last received. A new salary anniversary date

shall be established subject to Sections 599.682.1, 599.683.1, and 599.585.1.

b. In instances not covered by (a) or specific alternate range criteria, the employee shall receive an increase or a decrease equivalent to the total of the dollar difference between the maximum salary rates of the alternate salary ranges. The employee's salary adjustment anniversary date is retained.

599.682.1 QUALIFYING SERVICE FOR MERIT AND SPECIAL IN-GRADE SALARY ADJUSTMENT

1. Except as provided in Section 599.675.1, 599.687, or 599.687.1 one month of qualifying service for merit and special in-grade salary adjustments shall be counted for each monthly pay period which meets the conditions of Section 599.675.1 or 599.608 and has been:

a. In the State civil service or in an exempt appointment or office as provided in Government Code Section 19141, and

b. In the same class or in another class except for classes with a salary range that are two steps or more lower; and

c. Under any of the following types of appointments:

1. A permanent appointment.

2. A Career Executive Assignment appointment.

3. A temporary, emergency, or limited-term appointment preceding a mandatory reinstatement.

4. At the discretion of the appointing authority, credit may also be given for: a temporary appointment in a seasonal class; or a temporary or special limited-term appointment or, a temporary, emergency or limited-term appointment not covered by (3) above.

599.683.1 MERIT SALARY ADJUSTMENT

1. If the appointing authority certifies in the manner prescribed by the Department of Personnel Administration that the employee has met the standards of efficiency required for the position, the employee who is not paid at the maximum step of the salary range shall receive a merit salary adjustment equivalent to 5 percent in the salary range provided that rate does not exceed the maximum salary rate effective on the first of the monthly pay period next following completion of:

a. Twelve months of qualifying service after:

(1) Appointment; or

(2) Last merit salary adjustment; or

(3) Last special in-grade salary adjustment; or

(4) Movement between classes which resulted in a salary increase of five percent; or

b. When movement between classes results in a salary increase of less than 5 percent, the Department of Personnel Administration shall provide that the number of months of qualifying service be proportionately reduced from 12 to the number of months of qualifying service that will permit the employee to receive approximately the same annual salary the employee would have received with a 5 percent increase.

c. This section shall not apply to Bargaining Unit 8

599.684.1 APPEAL FROM MERIT AND SPECIAL IN-GRADE SALARY ADJUSTMENT ACTION

When an employee has not met the standards of efficiency required for the position, the supervisor shall so certify in the manner prescribed by the Director of the Department of Personnel Administration or the Department of Personnel Administration and shall recommend that the merit or special in-grade salary adjustment not be granted. In such cases, the adjustment shall not normally be considered again in less than three months. An employee whose merit or special in-grade salary adjustment will not be recommended by the supervisor shall be informed of the reasons for such action before the certification is made by the supervisor. The employees shall be informed in writing of denial prior to the effective date of the merit or special in-grade salary adjustment. Within 10 days after the employee is informed that the merit or special in-grade salary adjustment will not be recommended, the employee may file a written request with the appointing power for reconsideration under the agency's Grievance Procedure. The employee may appeal to the Department of Personnel Administration within 15 days after having exhausted the departmental remedy as herein specified. In such appeal the determination of the ap-

pointing power to withhold a merit or special in-grade salary adjustment shall be sustained if supported by substantial evidence.

599.685.1 SPECIAL IN-GRADE SALARY ADJUSTMENT

1. If the appointing authority certifies in the manner prescribed by the Department of Personnel Administration that the employee has met the standards of efficiency required for the position, the employee who is paid at the minimum step of the salary range in a class designated by the Department of Personnel Administration may receive a special in-grade salary adjustment to the second step of the salary range effective on the first of the monthly pay period next following completion of:

a. Six months of qualifying service after the appointment; or

b. As otherwise may be provided by the Department of Personnel Administration. When movement between classes to the minimum step results in a salary increase of less than one step, the Department of Personnel Administration shall provide that the months of qualifying service be proportionately reduced from 6 to the number of months of qualifying service that will permit the employee to receive approximately the same annual salary the employee would have received upon appointment to the minimum step with a 5 percent increase.

599.687.1 EFFECTS OF BREAKS IN STATE SERVICE ON MERIT AND SPECIAL IN-GRADE SALARY ADJUSTMENT

1. Periods of absence from State service resulting from a permanent separation shall not be counted as qualifying service for merit salary adjustments and special in-grade salary adjustments.

2. Any monthly pay period in which an employee has been absent as a result of a temporary separation of 11 working days or less, may be disqualified for merit salary adjustment or special in-grade salary adjustment if the supervisor certifies that the absence had affected the employee's ability to meet the standard of efficiency required for the position during the month.

3. Periods of absence from State service for the following reasons shall be counted as qualifying service for merit and special in-grade salary adjustments:

a. Military leave and periods of rehabilitation provided by Section 19780 of the Government Code.

b. Time during which the employee is receiving temporary disability for injury or disease as provided in Section 19991.4 of the Government Code.

c. Time during which the employee is receiving paid educational leave as provided in Section 19991.7 of the Government Code.

4. Monthly pay periods of qualifying service which immediately precede and follow a return from a temporary separation from service shall be added together for merit and special in-grade salary adjustments. At the discretion of the appointing authority monthly pay periods of qualifying service which immediately precede and follow a return from a permanent separation from service may be added together for merit salary adjustment only.

599.688.1 EFFECT OF REALLOCATION OF POSITIONS.

When the State Personnel Board divides a class into two or more separate classes, or consolidates two or more classes into a single class and grants status to incumbents, the Department of Personnel Administration shall negotiate salary eligibility with the employee organization(s) which represent the affected employee. Incumbent employees shall not receive a reduction in salary as a result of the classification separation or consolidation.

599.689.1 EFFECT OF SALARY RANGE CHANGES

1. Unless otherwise provided by the Department of Personnel Administration, whenever the salary range for a class is changed, the salary of each incumbent in the class on the date the range change was made effective shall be adjusted by the total of the range differentials between the maximum salary rates and shall retain the same salary adjustment anniversary date. When range changes are made effective retroactively, incumbents in the class between the effective date of the range change and the date of Department of Personnel Administration action, inclusive, shall also receive the same adjustment.

2. When salary range changes become effective the same date as an employee's salary adjustment anniversary date, the employee shall first receive any salary adjustment to which entitled and then receive the range differential adjustment.

3. Then salary range changes become effective the same date as an employee's promotion, the salary adjustments shall be made in such order that the employee shall gain the maximum benefit from the adjustments.

599.795.1 PERFORMANCE APPRAISAL OF PROBATIONERS

A report of the probationer's performance shall be made to the employee at sufficiently frequent intervals to keep the employee adequately informed of progress on the job. A written appraisal of performance shall be made by the employee's appointing power or designee within 10 days after the end of each one-third portion of the probationary period. If the employee is rejected during the probationary period, a final report may be filed for the period not covered by previous reports. The foregoing provisions shall be construed as directory.

B1 SIDE LETTER #8 - September 29, 1999

The State and CSEA agree to support the transfer of the Registration Specialist Classification into the Pesticide Use Specialist class.

State Personnel Board and CSEA shall provide its endorsement and support.

B2 SIDE LETTER #9 — Classification - review/Public Land Management Specialist Series.

The State Lands Commission (SLC) and CSEA agree to cooperatively endeavor to review the classification series for the Public Land Management Specialist Series. SLC and CSEA recognize that this review includes reviewing the validity of the concept, definitions of level, and tests of fitness by Department of Personnel Administration and State Personnel Board. Further, that if there is cost associated with the implementation of the review results, it shall be subject to availability of funds.

If a proposal is made to the State Personnel Board, CSEA shall provide its endorsement and support.

B3 SIDE LETTER #10 — ARTICLE 19.7 (CALL-BACK) Clarification

The purpose of this side letter agreement is to clarify the intent of the parties regarding the meaning and scope of application of the "call-back" provision of the Tentative Agreement for the 1999-2001 Memorandum of Understanding (MOU) governing State Bargaining Unit 1.

Section 19.7 of the Tentative Agreement for the 1999-2001 MOU provides, in relevant part, that employees called back to work shall be paid a minimum of 4 hours pay, at the overtime rate, if the hours otherwise qualify as overtime hours.

Section 19.8 of the Tentative Agreement for this same MOU provides that employees who are on "stand-by" shall receive 2 hours of Compensated Time Off (CTO) unless they are called back to work. If called back to work, the employee will receive only the 4 hours of call-back compensation.

The California State Employees Association (CSEA) and the Department of Personnel Administration (DPA) hereby acknowledge and agree that the call-back provision of the Tentative Agreement referred to above encompasses "on-call" work performed by Information Technology (IT) employees belonging to Bargaining Unit 1. "On-call" work in the context of this side letter and the Tentative Agreement means approved work, duties or service performed or provided by an IT employee to the Department from the employee's home or some other place where the employee is located.

B4 SIDE LETTER #11 — Permanent Intermittent Employees - Employment Development Department

A permanent intermittent position or appointment is a position or appointment in which the employee is to work periodically or for a fluctuating portion of the full-time work schedule. A permanent intermittent employee may work up to 1500 hours in any calendar year based upon Government Code Section 19100 et. seq. The number of hours and schedule of work shall be determined based upon the operational needs of the department.

The Employment Development Department and CSEA agree to meet and confer about a pilot post and bid program for the conversion of permanent intermittent employees within the Employment Program Representative (EPR) and Disability Insurance Program Representative (DIPR) classifications to full-time base within the employee's classification. The parties will meet within 60 days of the ratification of the MOU by the Union and the legislature to begin negotiations and the pilot program shall include a mutually agreeable post and bid system based on seniority. EDD and CSEA agree to meet within 60 days of the implementation date of the pilot program to:

1. Begin to evaluate the pilot program based on its effect on administrative personnel processes, operational/program needs, employee morale, training needs, and performance; and
2. Negotiate an appropriate ratio of PI employees to full-time appointments through full-time conversions versus other hiring methods; and
3. Negotiate an appropriate PI to full-time staffing ratio.

F1 SIDE LETTER #8 — DMV — Senior Motor Vehicle Technician

Upon approval by the Department of Personnel Administration, the Department of Personnel Administration on behalf of the Department of Motor Vehicles will submit to the State Personnel Board a proposal to establish a superjourney lead level Senior Motor Vehicle Technician class. The proposed salary range will be a minimum of seven percent (7%) above the Motor Vehicle Technician, Range B. The proposed new classification is expected to be established by November 30, 1999.

F2 SIDE LETTER #9 - Recruitment and Retention Differential Study - DMV

The Department of Motor Vehicles (DMV) is committed to recruit and retain qualified employees in their field offices. DMV agrees to conduct a recruitment and retention study for the Motor Vehicle Field Representative Classification.

The study shall commence within thirty (30) days from the date this Contract is ratified. The State will complete the study by January 1, 2000.

The State agrees to provide a copy of the completed study to the Union and meet and confer with the Union prior to any implementation.

F3 SIDE LETTER #10 - California State Lottery (CSL) Scratcher Sales Bonus

The provisions of this section shall become effective with the first complete quarter following the effective date of this Contract.

CSL reserves the right to manage the variety and quantity of Scratcher products offered for sale in order to stay within its budgetary and legal mandates.

The classifications of Lottery Ticket Sales Specialist (LTSS) and Lottery Ticket Sales Senior Specialist (LTSSS) shall be eligible to receive sales bonuses as governed by the following provisions:

A. The sales bonus shall be based solely on sales of Scratcher products. Scratcher product sales are defined as only those packs that have been financially settled by retailers. Prior to the beginning of each new quarter of the fiscal year, the CSL Director or designee shall set a statewide sales goal for Scratcher products. The statewide sales goal is then broken down into "market shares" for each individual "retailer assignment." Individual achievement for bonus eligibility is measured against the "market share" established for the individual retailer assignment.

B. The CSL Sales Department shall issue a quarterly report showing the percentage of statewide sales (commonly referred to as "market share") for Scratcher products for each retailer assignment. The market share of each sales area is defined as the percentage contribution of the employee's retailer assignment to actual statewide sales during the quarter ending one quarter prior to the "goal quarter," also identified as the "quarter

before last."

Example: The goal of Quarter 1 of FY 99-00 is based upon market share from Quarter 3 of 98/99.

C. Upon completion of each quarter and a qualifying period as defined in subsection (F), if the retailer assignment achieves at least the first level sales goal in Scratcher products, the eligible employee receives the appropriate bonus award for that level. Subsequent awards are based upon achieving greater sales levels for the Scratcher-only products.

Example: If a retailer assignment achieves Level 1 goal in Scratcher sales, the participant receives Level 1 bonus.

D. Bonus levels and corresponding dollar awards attributable to each level are listed below:

Bonus Level	Level 1	Level 2	Level 3	Level 4
% of sales goal achievement	102%	105%	108%	112%
Lottery Ticket Sales Specialist	\$300	\$600	\$900	\$1,200
Lottery Ticket Sr. Sales Spec.	\$300	\$600	\$900	\$1,200

E. Each eligible employee described below shall be required to work a qualifying period as defined in subsection (F) to be eligible for bonus.

1. A full-time employee who works a qualifying period and who works a single regular retailer assignment during the quarter shall be eligible for the appropriate level bonus achieved by that retailer assignment during that quarter.
2. An intermittent employee who works a qualifying period and who works a single regular retailer assignment during the quarter shall be eligible for the appropriate level bonus achieved by that retailer assignment during that quarter.
3. An intermittent employee who works a qualifying period and who works more than one retailer assignment in either the North or the South region during the quarter shall be eligible for the appropriate level bonus achieved by that region.
4. An intermittent employee who works a qualifying period and who works more than one retailer assignment in both the North and South regions during the quarter shall be eligible for the appropriate level bonus achieved by the State.
5. A part-time employee who works a qualifying period shall be eligible for a percentage of the bonus dollar amount consistent with the employee's time base. The qualifying period as defined in subsection (F) shall be prorated to the time base.

Example: A 3/4 time employee who work's a qualifying period and who achieves Level 1 sales shall be eligible to receive 3/4 of the dollar amount for that level. The qualifying period for eligibility is proportionately reduced by 25 percent (25%).

F. For purposes of this bonus provision, the following definitions shall apply:

1. "Qualifying period" is defined as actually working a regular retailer assignment no less than 65 percent (65%) of actual available work hours in a quarter, excluding holidays and weekends.

Formula: Thirteen weeks (91) days less weekends (26 days) multiplied by eight hours a day less holiday hours multiplied by 60 percent (60%) equals a qualifying period.

Example: A qualifying period in a thirteen (13) week quarter with no holidays would require the participant to work a regular retailer assignment 338 hours. A qualifying period in a quarter that has one holiday would require the participant to work a regular retailer assignment of 333 hours.

2. "Retailer assignment" is defined as a preassigned group of retailers for which the employee has Scratcher inventory management responsibilities either through the use of a Scratcher inventory management system or through regular retailer telephone activity. Retailer assignment does not include activity with retailers which are redirected to an employee because of coworker absences.

G. Bonus payments shall be made quarterly within sixty (60) days after the end of the quarter.

H. Bonuses paid pursuant to this section are excluded from compensation for retirement purposes.

I. Bonuses paid pursuant to this section are considered compensation for taxation purposes.

J. This section is grievable to Step 3 of the grievance procedure (Director, CSL).
