**Feedback Activity 3:**

Thinking about our current focus of reaching deep into our membership during the Count on Me Campaign, answer the questions below. In particular, keep in mind the report you just heard about our Union’s current ability to mobilize members at your worksite and our need to increase our reach.

- 1. Do you think our members at your worksite are committed to taking action?

Circle one: **YES** or **NO**

- 2. Write down the names of at least five people who you commit to reach out to on Monday that you believe are trusted and respected by their coworkers and have the ability to be a real leader and ask them to take responsibility for organizing and educating ten of their coworkers.
